SOUR RISINGS FROM STOMACH

Those Who Experience Fullness and Pain After Meals, Stomach Disorders, and Indigestion, Should Read Below.

"When I was working around the farm last winter I had an attack of inflammation," writes Mr. E. P. Dawkins, of Port Richmond. "I was weak for a long time, but well enough to work until spring. But something went wrong with my bowels, for I had to use salts or physic all the time. My stomach kept sour, and always after eating there was pain and fullness, and all the symptoms of intestinal indigestion. Nothing helped me until I used Dr. Hamilton's Pills. Instead of hurting, like other pills, they acted very mildly, and seemed to heat the bowels. I did not require large doses to get results with Dr. Hamilton's Pills, and feel so glad that I have found a mild yet certain remedy. Today I am well—no pain, no sour stomach, a good appetite, able to digest anything. This is a whole lot of good for one medicine to do, and I can say Dr. Hamilton's Pills are the best pills, and my letter, I am sure, proves it."

Pin this half page to your specimen of writing and send it to the Secretary of your Fair. He will enter a number on the slip and the same number on your specimen of writing and forward the writing to the Central Business College where it will be judged by the Principal and returned so that it will be on exhibition at the time of the Fair.

In order that this may be done it will be necessary to have the specimens in hands of the Secretary of your Fair on or before September 20th.

Special Prayer for Elections.

The Anglican archbishop of Ottawa has issued the following prayer to be said in all the churches of the diocese of Ottawa during the period for the election of members of Parliament:

"God, we humbly beseech Thee, as for this Dominion of Canada, in general, so especially for all her people, who are at this time engaged in the election of true and upright and faithful men to represent them in Parliament. Save us from all ignorance, error, pride and passion, and lead us all to the exercise of a sound judgment and the maintenance of true principles so that justice and righteousness and honesty may everywhere prevail amongst us. Thy honor and glory and our own everlasting profit through Jesus Christ our Lord. Amen."

Deafness Cannot be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.
