A Simile - A powerful oar was seen urging his little against a strong current, and addressed himself to his work all his muscular energy, he advancing slowly but surely as the opposing torce. Casuall tracted by some neighboring ject, he missed a single stro the oar; the boat swung round was swept , down the curren into the rapids, and 'was onl the intervention of friendly that the final peril was esc and the bestman was dragge the shore, exhausted alarmed, ched, and bruised. So the Chr rows against the current of world this progress depends o unceasing vigilance and lal any relazation or mismanage of his oars, will jeopard his s and it he does not retrive hi immediately, he may be wre and ruined. The very sur tion that there is any period, side of heaven, which does no quire effort to overcome hostil ces, is in itself sperilous. An Extraordinary character States paper mention the dea Captain G. Y. Francis, rec at New Orleans, whose life been eventful more than the of most men:

"ito was in very early lif tached to the navy then to the - and travelled over the fore ter of the globe -was for two a prisoner in the great Dese Arabia-afterwards a slave to Bashaw of Tunis-then lieute of a Guerilla party in Spain, master of a Dutch lugger . tri to the Malaccas. He was st quently overseer of a sugar e in Jamacia—then engaged in ing logwood in the forest of t peachy-was for three mon prisoner among a handitti in ico-then a captive among Camances- was ransomed some fur traders from the ()r -was employed by the Gove of the Russian settlements to mand a brig in the wheat t with Chili-finally revisited hi ive State and married, and wa ensively engaged in Lexan or ions when death arrested him

A Dose of Physic.-We heard many enquiries made necting the family of our we Governor General the Right Poulett Thomson, as to whet! is, what is called in England, i e. of noble blood or descent is to say, whether he can trac descent from the pure unada the Conqueror. Now, we ha to know from the best auth that this is not the case, but he lays claim to a descent i more honorable to him as a n ber of the great human a -n than the founder of stem of Medi

in the prime of life.
