

# IRELAND

Our correspondence from Belfast, Dublin, and Cork has come to hand, and contains a variety of rather startling intelligence.

From Belfast, our letters are chiefly occupied with details of the Orange processions in the North of Ireland, on the 12th instant; we are happy to say that all passed off quietly, and without any breach of the peace. The conduct of the Repealers on this occasion was most commendable, as they abstained from any interference with the processions.

Dublin is much excited by the late arrests. The Commissioners of Police, yesterday, issued a placard cautioning news-vendors against selling "felonious and seditious" papers, as they would thereby render themselves liable to prosecution.

Mr. Charles Gavin Duffy, although confined in a felon's cell, has again addressed the readers of the "Nation" on the point of attack, the clubs. He says—

We have no real and vital power, then, but that which the clubs have, or may have, and we must hold them fast, or all is gone.

There is at present no law enabling the Irish Government to put down the clubs. If they attempt to do so without a law, they ought to be resisted at every point of attack. No club-room ought to be yielded without a siege. If they ask an act of Parliament, it cannot pass under ten days or a fortnight; if there were six honest and capable Irish members, it would not pass this session. But the interval, whatever it may be, ought to be used in spreading the club organization with the furor of a crusade. If the act become law, and our law right is stricken down, the presidents of all the clubs in Ireland might meet as a provisional council, summon the country around them, and resist the aggression with arms. No fairer ground of national quarrel can ever rise. It is a ground broad enough and clear enough for a battle field; for it involves, practically, the right we possess—the right to complain and resist. When it is gone, we will have thrown away sword and shield. We may submit and die.

Mr. T. D. McGee, who, although indicted for sedition does not scruple to come within the more voracious fangs of the Treason-felony Act, in an article headed "Ireland's Trial," he daringly writes as follows:—

"What I would advise the people to do is this, that they forthwith throw themselves into 'The Irish League.' That every club sends up to the next meeting its two, three, or five hundred members to be proposed. That by the 1st day of August next we shall have 100,000 Irishmen enrolled as Leaguers, and may try the effect of their moral force influence on the cases of the patriots now in Newgate. That, in the meantime, every club shall double its numbers, and every member of a club shall be rigidly required to observe the original rule, and to bring in one new member. By these means 200,000 or 300,000 men may be actually enrolled before the adjourned Commission resumes." If all moral influences fail—if juries are packed, and false verdicts obtained against true men—then, and not before, I demand "an arrest of judgment" by the Irish people. I demand this, not because of my personal attachment to the prisoners, but for the sake of our ancient cause and country. If these men, with such notice and warning, are also sent to Bermuda, the sooner every man calling himself 'Nationalist' chooses another country the better for him and for outraged human reason."

The monthly Subscriptions are payable in Saint John on the first Monday in every month, and at the Branch Office, or Agencies, on the Thurs day previous. The first Subscription is due on the third day of January, 1848.

TRUSTEES—(with a Seat at the Board)—Wm. Wright, R. F. Hazen, and H. Chubb, Esqs.

DIRECTORS: Charles Drury, George Wheeler, Charles E. Raymond, James Poyntz, William C. Dunham, John C. Littlehale, John H. Gray, Samuel Huyghue, James Agnew.

BANKERS—Bank of New Brunswick. SECRETARY & TREASURER—Mr. C. L. Street.

George D. Sweet, Esq. Agent, St. Andrews. Alexander Campbell, Esq. Agent, St. Stephens.

THIS SOCIETY is established on a mutual simplified system—the most approved in England; and founded on a basis so sound as to give the most effectual security to its members.

THE DESIGN OF THIS SOCIETY IS—First—To enable persons to become their own Landlords, and purchase Freehold or Leasehold Property, by advances made by the Society. (Sums positively advanced for £20 a year for eleven and a half years, which sum pays both principal and interest. Other sums in proportion.)

Secondly—To provide a safe and profitable Fund for Savings, or Investments for small or large sums of money. (This Society offers opportunities in this respect which no other Institution in this Province can do.—Savings Banks only pay 5 per cent. whereas this Society pays 6 per cent. Compound Interest.)

THE OTHER IMPORTANT ADVANTAGES ARE—1st—No money is lent but on security on Real Property.

2d—New Members are admitted up to the time the Society will end, with equal proportionate advantages.

3d—Any Member may withdraw the amount of his Shares at any time after the first year, with the compound interest thereon. Shares may be transferred at any time.

4th—Members may invest their Money in PAID UP SHARES which will necessarily be doubled. £60 at the commencement being worth £120 at the conclusion.

5th—Mortgages can be repaid at any time with proper notice.

6th—The Accounts and Bank Book are open for the inspection of members at every monthly meeting.

7th—Securities given by all Officers of Trust.

The Board of Directors in St. John have the GENERAL MANAGEMENT of the Society—but for the purpose of accommodating persons resident in other parts of the Province, BRANCH OFFICES, or AGENCIES, are formed—where Shares can be obtained, and all the payments made, in the various districts; and LOCAL BOARDS of Management will be established so soon as the number of Shares taken in any district render it advisable.

The FUND is procured from the Monthly Subscription of the Members, and also from Monies invested in Paid up Shares, which will always ensure ample means for meeting the advances required.

The PROFITS are certain, because the amount paid by the borrower, for an advance, must necessarily form the fund for paying the lender.

The EXPENSES of the SOCIETY are small, as the Officers act gratuitously, with the exception of the Secretary and Treasurer.

The FUND and FINES form a Contingent Fund out of which the expenses are paid, and the balance, which will be very considerable, will go into the general Fund, which will lessen the duration of the Society.

Every information, with copies of Prospectus, Rules, &c. can be obtained on application at the Office of the Society, or at the Office of the Agents: By order of the Board, CHARLES L. STREET, Secretary & Treasurer.

Prince William street, St. John, N. B. December 25, 1847.
