

THANKSGIVINGS

Ludington, Mich. July 6th : « Reverend Father, four months ago, during the course of the past winter, I was attacked by a very serious disease, pneumonia. I was attended by physicians but my condition became so bad that I was reduced almost to the last extremity and lost hope of ever recovering my health. I then commended myself to Good St. Anne and promised that if she obtained my cure, I would publish it in the *Annals*. I may say that I am now quite well and completely cured of that terrible disease which had brought me nearly to my grave. I cannot sufficiently express my gratitude to Good St. Anne for the great favor she obtained for me. I wish therefore to publish my cure and fulfil my promise. A thousand thanks to Good St. Anne. » A Subscriber.
