Mrs. Cleveland's New
Portraits.

Mrs. Cleveland recently had a new set of photographs taken, the first time she has been photographed since leaving the White House, and has given them to Mr. Bok, with permission to publish them in *The Ladies' Home Journal*, where they will publicly be seen for the first time. The set also includes the first authoritative photographs published of the new Princeton home of the Clevelands.

The Cabinet Member's Wife.

The authorship of the much-discussed "Inner Experiences of a Cabinet Member's Wife," printed in the *Ladies' Home Journal*, will be revealed in the June issue of that magazine, when the name of Anna Farquhar will appear as the author. It is surmised that the domestic experiences described in these letters were those of Mrs. W. H. H. Miller, wife of the Attorney General in President Harrison's Cabinet,—since Miss Farquhar is known to be a personal friend of the Miller family, and to have spent considerable time with them in Washington during their official residence there. The author of these letters was born and raised in Indianapolis, in neighborly relations with the Harrison and Miller families, but for ten years past she has lived a studious professional life in New York, London and Boston.

She is now connected with the editorial staff of *The Boston Transcript*. In addition to her "Cabinet Member's Wife" letters she has published one novel—"A Singer's Heart" and another one is about to be issued. She is a young woman, exceedingly clever, and only her closest friends have known her connection with the Washington which have attracted such wide attracted such wide attention.
