

within its walls still stands the stone image of the goddess Karle, before which multitudes of human beings, especially women, were sacrificed.

BOND HEAD.—Rev. W. Fraser of Bond Head, Ontario, recently completed the 40th year of his ministry. The Congregation presented him with a well executed Portrait of himself.

The religion of Jesus Christ is altogether a practical thing. Just consider how we are taught anything else that is practical. It is not by hearing or reading about making shoes that a man becomes a shoemaker, but by trying to make them.—*Augustus Hare.*

A hypocrite neither is what he seems, nor seems what he is. He is hated by the world for seeming a Christian, and by God for not being one. On earth he is the picture of a saint, but in eternity the paint shall all be washed off, and he shall appear at the judgment in his true colors. God only knows whether we are what we seem.
