# \$85 SOLID GOLD WATCH FREE!

This splendid, solid gold, hunting-case watch, is now sold for \$85; at that price it is the best in America; until lately it could not be purchased for less than \$100. We have both ladies and gents' sizes with works and cases of equal value. ONE PERSON in each locality can secure one of these elegant watches absolutely FREE. These watches may be depended on, not only as solid gold, but as standing among the most perfect, correct and reliable timekeepers in the world. You ask how is this wonderful offer possible? We answer—we want one person in each locality to keep in their homes, and show to those who call, a complete line of our valuable and very useful HOUSEHOLD SAMPLES; these samples, as well as the watch, we send ABSOLUTELY FREE, and after you have kept them in your home for 2 months, and shown them to those who may have called, they become entirely your own property; it is possible to make this great offer, sending the Solid Gold Watch and large line of valuable samples FREE, for the reason that the showing of the samples in any locality, always results in a large trade for us; after our samples have been in a locality for a month or two, we usually get from \$1,000 to \$3,000 in trade from the surrounding country. Those who write to us at once will receive a great benefit for scarcely any work at all. This, the most remarkable and liberal offer ever known, is made in order that our valuable Household Samples may be placed at once where they can be seen, all over America; it will be hardly any trouble for you to show them to those who may call at your home, and your reward will be most satisfactory. A postal card, on which to write us, costs but 1 cent, and if, after you know all, you do not care to go further, why no harm is done. But if you do send your address at once, you can secure, FREE, AN ELEGANT \$85, SOLID GOLD, HUNTING-CASE WATCH and a large, complete line of valuable HOUSEHOLD SAMPLES. We pay all expenses. If you have a cough do not neglect it; buy at once a bottle of Allen's Lung Balsam.

An ounce of keep-your-mouth-shut is better than a pound of explanation after you've said it.

COUGHS AND COLDS.—If everything has failed, try Allen's Lung Balsam and be cured.

JUDGE—Madam, what is your age? She—Your honour, I leave that to the mercy of the court.

SICK Headache and Dyspepsia are quickly dispelled by Campbell's Cathartic Compound.

JONES: Look at Brown over there in the corner. Smith: Yes; buried in thought. Jones: Mighty shallow grave, ain't it?

MUCH of the discomfort of wash day is removed by the use of JAMES PYLE'S PEARLINE. It removes dirt without the least injury to the most delicate fabric. For sale by grocers generally.

JONES (who catches his pastor out fishing): Good morning, doctor! Are you studying theology? Minister: Yes; ichthyology.

P. T. BARNUM, the showman, is quoted as saying that he would accept the Republican nomination for president. But, despite his profession, Barnum has no show.

I have improved greatly since using Ely's Cream Balm for catarrh. I feel like a new man. It is a blessing to humanity.—John D. Farrell, Hartford, Conn.

AN Irishman who had on a very ragged coat, was asked of what stuff it was made. "I don't know! said he, but I think the most of it is made of fresh air."

CUSTOMER (to coal dealer): I want to get a ton of coal. Dealer: Yes sir; what size? Customer (timidly): Well, if it isn't asking too much, sir, I would like a 2,000 pound ton.

"WELL, Harry, what are you doing nowadays?" "Writing for the press." "Thankless sort o' work, ain't it?" "Bless your heart, no. 'Bout everything I write is 'returned with thanks.'"

How did he mean it? "Will you please insert this obituary notice?" asked an old gentleman of an editor; "I ask it because the deceased had a great many friends about here who would be glad to hear of his death."

NETTIE tells her engagement with great pride to her brother, and concludes: Now don't tell any one. Brother (who does not think so well of it): Oh! you needn't be afraid. I'm much ashamed of it as you are.

BELOW are three definitions which were handed in at one time or another in one of the public schools, and a high school at that: Turmoil—a kind of oil. Bandit—a lawyer. Barrister—a man who sings in the choir.

TRAMP: Will the gentleman give a trifle to a poor man? Gentleman: How do I know you are a poor man? Tramp: How do I know you are a gentleman? It's only by the outside that either of us can judge the other.

SCIENTISTS tell us that a man's brain decreases in size as he grows old. The human brain, it appears, weighs the heaviest between the ages of fourteen and twenty. This explains why young men know so much more than their elders.

ADELGITHA—I see you're reading that new novel that everybody's talking about. How is it? Gladys—Perfectly splendid! Adelgitha—What's it about? Gladys—Oh, I don't know yet, I've only got a little way back from the end.

"JOHN, what odour is that?" "Cloves, love." "But that other?" "Allspice, my beloved." "But isn't there another?" "Yes, apples, belovedest." "Just once more?" "Raisins, my most belovedest." "Well, John, if you'd only drink just a little brandy now I think you would make a good mince pie."

PERHAPS no local disease has puzzled and baffled the medical profession more than nasal catarrh. While not immediately fatal, it is among the most distressing, nauseous and disgusting ills the flesh is heir to, and the records show very few or no radical cures of chronic catarrh by any of the multitude of modes of treatment until the introduction of Ely's Cream Balm a few years ago. The success of this preparation has been most gratifying and surprising.

# WHAT WAILS YOU?

Do you feel dull, languid, low-spirited, lifeless, and indescribably miserable, both physically and mentally; experience a sense of fullness or bloating after eating, or of "grogginess" or emptiness of stomach in the morning, tongue coated, bitter or bad taste in head, irregular appetite, dizziness, frequent before the eyes, nervous prostration or exhaustion, irritability of temper, hot flushes, alternating with chilly sensations, sharp, biting, transient pains here and there, cold feet, drowsiness after meals, wakefulness, or disturbed and unrefreshing sleep, constant, indescribable feeling of dread, or of impending calamity?

If you have all, or any considerable number of these symptoms, you are suffering from Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia, or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached, Dr. Pierce's Golden Medical Discovery will subdue it, if taken according to directions for a reasonable length of time. If not cured, complications multiply and Consumption, Rheumatism, Kidney Disease, or other grave maladies are quite liable to set in and, sooner or later, induce a fatal termination.

Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver, and cleanses the system of all blood-taints and impurities, from whatever cause arising. It is equally efficacious in acting upon the Kidneys, and other excretory organs, cleansing, strengthening, and healing their diseases. As an appetizing, restorative tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In malarial districts, this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Fever, Dumb Ague, and kindred diseases. Dr. Pierce's Golden Medical Discovery

which is Scrofula of the Lungs, is arrested and cured by this remedy, if taken in the earlier stages of the disease. From its marvelous power over this terribly fatal disease, when first offering this now world-famed remedy to the public, Dr. Pierce thought seriously of calling it his "CONSUMPTION CURE," but abandoned that name as too restrictive for a medicine which, from its wonderful combination of tonic, or strengthening, alterative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequalled, not only as a remedy for Consumption, but for all Chronic Diseases of the
