This remarkable statement to which we direct special attention, is from a Tennessee farmer. My age is 63. I suffered intensely from Catarrh 10 years. Had intense headache, took cold easily, had continual roaring and singing in my ears. My hearing began to fail, and for three years I was almost entirely deaf, and I continually grew worse. Everything I had tried, failed. In despair I commenced to use the Aerial Medication in 1888, and the effect of the first application was simply wonderful. In less than five minutes my hearing was fully restored, and has been perfect ever since, and in a few months was entirely cured of Catarrh. **ELI BROWN, Jacksboro, Tenn.**

Medicines for Three Months' Treatment Free.
To introduce this treatment and prove beyond doubt that it is a positive cure for Deafness, Catarrh, Throat and Lung Diseases, I will send sufficient medicines for three months' treatment free.

PRESCRIBES AND RECOMMENDS

PAIN'S CELERY COMPOUND.

HE DECLARES IT TO BE THE

BEST SPRING MEDICINE.

IT BUILDS UP RUN-DOWN

MEN AND WOMEN.

The Only Remedy That Makes

Pure, Bright and Red

Blood.

Cleansing and purifying the blood, and putting the human organism in proper working order, is a work that demands very special attention in the Spring season. Many of the ablest and most experienced physicians are of the opinion that Paine's Celery Compound does the best and most thorough work in the way of blood cleansing, nerve strengthening and tissue building. No other medicine can impart to weak and run-down men and women the grand vigorous strength, and general good health that Paine's Celery Compound gives.

Dr. A. W. K. Newton, the eminent physician and surgeon of Boston, says:

"Paine's Celery Compound is not a patent medicine, and it must not be confounded with the ordinary nervines, bitters and sarsaparillas. It is as much superior to them in formula and results as the diamond is superior to glass. It purifies the blood, strengthens the nerves, and is nature's food for the brain.

"I had some trouble myself, from blood poisoning, received in a very delicate surgical operation. The formula of Paine's Celery Compound led me to try it, and I was much pleased with the result. I prescribe it for men and women who have no appetite, cannot sleep, and are weak and run-down. For this condition, and for disorders of the blood and nerves, it has no equal.

"When a man or woman has lost appetite, lost sleep, and feels that life is a burden, that person is in a serious condition. I prescribe Paine's Celery Compound for my patients who have these common and dangerous symptoms, with invariably satisfactory results. It is the best possible remedy to keep up one's strength and energy during the spring and summer months."

HEALTH AND HOUSEHOLD HINTS.

When the old wood is removed from trees or vines, the best course to pursue is to burn all the refuse. The cutting of the blackberries nearly always contains the eggs of the borer, and to allow them to remain on the ground is to propagate the nuisance, especially when young canes are being thinned out.

Dishes should be arranged for washing and washed in the following order: Glass, silver, cups and saucers, and finally plates and dishes. The rule is to always wash the cleanest first, and to wash a few at a time. Two pans should be used, one for washing and one for rinsing, and the water in both should be changed as soon as it becomes cool or dirty.

A woman noted for the frothy lightness of the mashed potatoes served at her board, confesses to no secret in its preparation, "except, perhaps, the pinch of baking powder which I add along with the little milk and butter that everybody puts in." She has the mixture beaten hard and fast with a fork, and one or all of these things contributes to a most successful whole.

Apples and Cream.—Pare and slice fresh, mellow, sweet apples and pour over them sweet cream. Dust very lightly with sugar and serve for a breakfast dish with or before the cooked grains.

Bohemian Sandwiches.—This sandwich is excellent. The filling used for it consists of cottage cheese, olives and Worcestershire sauce, the proportions being one dozen olives to one large ball of cheese, and the sauce to taste. Pit the olives and chop them fine, then mix with the cheese and seasoning.

Prune Pie.—Prepare the prune as for custard, and to each cupful of fruit add a cupful of thin cream or rich milk, the yolks of two eggs, well-beaten, and four table-spoonfuls of sugar. Whip the whites separately, flavor with pineapple and cut into it the prune just before it is put in the oven. Line a pie-dish with thin paste, pour in the prune, and bake quickly. Over the top spread the white of an egg, beaten with a table-spoonful of sugar and also flavored with pineapple. Return to the oven to brown.

Hickory Nut Cookies.—Beat your eggs very light, whites and yolks separately. Into the yolks stir in two scant cupfuls of sugar and then the beaten whites. Add a pint of flower, a heaping teaspoonful of baking-powder, and a pint of nuts cut in small pieces and rolled in flour. Mix quickly and thoroughly, and drop a small spoonful at a time upon greased and floured pans. Place half a nut on the middle of each cookie and bake in a very moderate oven twenty minutes. In the place of hickory nuts use raisins, seeded and chopped, coconut or currants. These cookies will keep a long time if they are untouched.
