

MONTREAL MINING EXCHANGE.

Montreal, Sept. 20.

Business on 'Change this morning amounted to close upon 40,000 shares, prices were, however, almost stationary, except, perhaps, in the case of Rathmullen, which was in good demand and sold at 9½, sellers asking 10½ at the close.

There was a considerable amount of trading done in Montreal-London at yesterday's prices, it was strong during the session and sold repeatedly at 5½; towards the close, however, it dropped ½ a point and sold at 55.

Okanagan, which declared a dividend today of a quarter of a cent a share, was quite firm, and sold at 13½, with none offering under 16.

Several sales of Virginia were transacted, 500 shares selling at 10, and 1500 at 9½.

Rambler Cariboo sold at 47, this is at a recession of a point from the last transaction which was made at 48 last Wednesday; 1000 shares changed hands today.

Slocan Sovereign was only dealt in in broken lots, 300 shares being sold for 37½ and 100 for 36½.

The remaining sales were in Virtue, which sold at 45 for a 500 share lot and California which was dealt in to the amount of 1500 at 14.

In other respects the market was unchanged. Deer Trail being quiet round 23 and 23½, Golden Star was offered at 42½, but buyers were only willing to give 38. There was some enquiry for Old Ironsides, but the difference in the range was too great for buyers and sellers to make a bargain.

The demand for Bullion was active, buyers offering 57, but there is absolutely no disposition to sell on part of holders of the stock and it looks as if the price will have to advance materially before any transactions can be accomplished.
