GRNILEMEN — I wish to speak with approval of Simson's Liniment. Having my knee fractured and the cords atmost destroyed by a kick from a horse, and other applications not proving successful to reduce the p in and servness level to Loules of the Liniment, which at every application took effect, and now after six weeks leving laid up 1 am able to walk as well as ever I have also used the Liniment with great success in taking the soreness from corns in horses after removing them.
