WORMS! WORMS!!

Various theories have been started relative to the origin of intestinal worms, and yet the question is still a vexed one among medical authorities. Of one fact, however, all are informed, and in which all agree-the fatal nature of the influence they exert on children. At this season of the year, the attacks of worms are most frequent as well as most dangerous. We take great pleasure in directing the attention of parents to the Vermifuge of Dr. McLane, prepared by Fleming Bros., of Pittsburgh. It is one of the most extraordinary medicines ever introduced to the public, and has never failed of success when tried.

Purchasers will be careful to ask for DR. McLANE'S CELEBRATED VERMIFUGE, manufactured by FLEMING BROS. of Pittsburgh, Pa. All other Vermifuges in comparison are worthless. Dr. McLane's genuine Vermifuge, also his celebrated Liver Pills, can now be had at all respectable drug stores. None genuine without the signature of

FLEMING BROS.

SCROFULA.-Unprecedented instances of the cure of this Complaint.-This is, perhaps, the greatest scourge to which the human family are subject, and at the same time the most difficult of cure, inasmuch as it is dependent on the power of the medicine prescribed, and its instantaneous effects upon the parts affected. The only infallible remedy for the cure of this most distressing of maladies with which we are acquainted is, Holloway's Ointment and Pills, they quickly eradicate all cutaneous diseases, but there is perhaps no class of disorders which so readily yields to the treatment of these mighty medicines. They act like a charm, and not only astonish the patient, but the faculty themselves, rendering them unparalleled in the history of medical science.

NEWPORT, Jan'y 10, 1856

THE Parish Church of Newport being in a very dilapidated state, and beyond repair, the Parishioners are desirous of erecting a new Church on the present site.

As this is an undertaking of some magnitude, and the Church people not being numerous, we would earnestly appeal to the sympathies and support of our friends and fellow Churchmen abroad.

It has been proposed that we hold a FANCY SALE in the month of September ensuing. We would therefore gratefully accept such assistance towards this object as our friends may be disposed to afford either in material or money.

Contributions sent to the Churchwarden's Office, or to the Bible & Tract Depository, Barrington Street, Halifax, or to Mrs. SEWIS, Newport, will be most thankfully received. 4w Feb. 9.
