

HOW MUCH IS YOUR MONEY EARNING?

If you could be absolutely assured of 5 or 6 per cent.—and safety—wouldn't you like to have your savings invested at such rates?

Then, buy bonds.

I can sell you the very best class of street railway and industrial bonds AT PAR. Why not write me about it?

UNIVERSITY OF TORONTO

FACULTY OF MEDICINE.

The regular course of instruction will consist of Four Sessions of eight months each, commencing October 1st.

There will be a distinct and separate course for each of the four years.

The lectures and demonstrations in the subjects of the First and Second years will be given in the Biological, Chemical, Anatomical and Physical Laboratories and lecture-rooms of the University.

Attention is directed to the efficient equipment of the University Laboratories for instruction in the various branches of the Medical Curriculum. The new building of the Medical Faculty has been completed at a cost of \$175,000.00 in the Queen's Park, and affords extensive laboratory accommodation for Pathology and Physiology which is unsurpassed. Didactic Instruction in the final subjects of the Medical Course are taught in the new lecture theatres.

To meet the requirements of the Ontario Medical Council a course of instruction, during the Fifth year, will be conducted. This will be entirely optional as far as the University of Toronto is concerned.

Clinical Teaching is given in the Toronto General Hospital, Burnside Lying-in-Hospital, St. Michael's Hospital, Hospital for Sick Children, and other medical charities of Toronto.

There are special Research Scholarships offered to graduates in Medicine, and every opportunity is now afforded for Scientific Research Work in any of the various laboratories of the University, under the direct supervision of the Professor in charge.

The Faculty provide four medals for the graduating class (one gold and three silver). There are also scholarships available for undergraduates in the First and Second Years; these are awarded to the candidates on the results of the annual examinations.

Further information regarding Scholarships, Medals, etc., may be obtained from the Calendar or on application to the Secretary.

FEES.—Lectures and demonstrations: 1st year, \$100; 2nd year, \$100; 3rd year, \$100; 4th year, \$100. Registration for Lectures, \$5. Registration for Matriculation, \$7. Annual Examinations, each \$14. For Examination in Practical Chemistry, 50c. For admission *ad eundem statum*, \$10. Degree, \$20. Hospital Perpetual Tickets, \$34. Lying-in-Hospital, \$8.

FOR MORE THAN A QUARTER OF A CENTURY

"KELLY" HARNESS

has been known as "THE FINE LINE." Thus the name of "Kelly," Halifax, has acquired a pre-eminent trade value, based on the absolute superiority of the goods associated with that name. This superiority extends to every part of the product, from the smallest stitch. Leathers, styles, fittings, finish—all are best. The majority of the workmen, having been with the house for many years, take a personal pride in the detail and finish of their productions. Prices are fine, too. The "Kelly, Halifax," stamp and guarantee on every set. Write us to-day. Mail orders receive special care.
