

JOHN D. NASMITH BAKER, MACHINE-MADE BREAD

Ordinary Bread,

CAKES, PASTRY, ETC.

STEAM BAKERY.

Cor. Jarvis and Adelaide Streets,
TORONTO.

WEIGHTY CONSIDERATIONS.

Are "cheap," and "low-priced" identical terms?

Is it worth while to ensure good weight?

Are some legal enactments mere frauds?

Is bread made by machinery preferable to hand-made bread?

Is there such a combination, in connection with the preparation of food, as "cheap and nasty?"

Do the fuel, the labor, and the anxiety of baking bread at home cost nothing?

Does it ever occur to anyone that the horses which deliver their bread eat oats? That account-keeping and delivery involves wages? That the combined cost of these items exceeds by three or four times the cost of production?
