THE LADIES' HOME JOURNAL

Edited by EDWARD W. BOK.

The most famous living writers contribute to its columns. Its illustrations are of the finest quality, and are furnished by the most eminent artists. Handsomely printed and daintily illustrated, it is conceded to be the leading periodical for ladies and the family and consequently enjoys a larger circulation than any other publication in the world now nearly a million copies each issue.

Its contributions are principally from ladies, and for that reason we highly prize it.

For One Dollar we will mail the Journal  
regularly to any address for one year.
