the insane by her family. The treatment of
this lady in the asylum, which she rightly
denominates "a human hell," was frightful.
These are recent occurrences (1894) and
have been ventilated in the Danish Parlia-
ment. The book is remarkably interesting.
The volume is a handsome one in the best
London style of type, binding and paper.

REMINISCENCES OF LITERARY LONDON 1770-
1841. By Dr. Thomas Rees and John Britton, F.S.A.
F. P. Harper, New York. T. W. Gregory, 5 King
street west, Toronto. Price, \$1.00.

As charming a little book as the book-
lover could wish for. It was privately printed
in 1853, and is known to few. Thus, the pre-
sent edition is a veritable "find," and to all
who are interested in literary London from
the time of Burke to the middle of this
century it will be a welcome guest. The
anecdotes of publishers, authors and book
auctioneers are mingled with many literary
traditions, which, if not new, are freshly and
brightly told. The edition is most daintily
turned out, and any reading man who can
be indifferent about it may fairly be set down
as a sham.

ADAM JOHNSTONE'S SON. By F. Marion Crawford
Macmillan & Co., New York. Copp, Clark Co., To-
ronto.

Mr. Crawford's new novel will be a marked
success. It is a modern story of social life
with the clear delineation of character which
made "The Ralstons" and "The Three
Fates" favorites with the reading public.
His people talk cleverly, yet naturally, which
it is not of en the case in recent novels. Be-
sides, "Adam Johnstone's Son" is a love
story with an original yet simple situation
and a happy end. The scene is laid at
Amalfi, and the dramatis personae are tour-
ists. Brook Johnstone becomes attached to
Clive Bowring, who is staying there with
her widowed mother. The two young peo-
ple are not related, but the mother of one
and the father of the other were—once.
Mrs. Bowring's first husband, from whom
she had obtained a divorce, for cause, was
Sir Adam Johnstone. She afterwards mar-
ried a soldier, Capt. Bowring, who was killed
in action, leaving her with an only child.
The situation is unique and is prettily
worked out. The lovers have our sympathy,
and are both something more than lay
figures. The complicated relationship of
the others is not so pleasing, and has an
American flavor about it. We predict a
good run for the book this season.
