**Canadian  
Cattle  
Spice**

The usefulness of a good tonic powder for live stock is too well recognized for it to be necessary that we should endeavor to enlighten any one on the subject. Perhaps, however, there may be room for a little more push in that line. To make this possible we will be pleased to supply you with advertising matter for distribution; and we offer you in our "Canadian Cattle Spice" an article of real merit at a low price. Sold in 100 lb bags at \$4.00 per bag, and in 10c. samples, attractively put up in cartons containing about a quart, at 70c. per dozen.
