To My Patients and the Public. 645 Lawrence Main Street, Montreal, May 20th 1875.

In transferring the entire manufacture of my MEDICINE to H.R.H. McGale, Chemist, of this City, I should add that I have used the above in my practice for the past twenty-four years and can conscientiously recommend it as a safe, reliable and effectual cleanser of the teeth and a preparation well calculated to arrest decay and render the gums firm and healthy. It is perfectly free from artificial colouring matter, acids, or other substances which are apt to the teeth injurious.

H. R. McGowan L.D.S.

Dear Sir, Montreal, May 20th 1875.

Knowing the Composition of Dr. McGowan's Dentifrice and having used it personally for some time past, I can confidently recommend it as a safe and reliable powder for cleansing the teeth and preserving the benefit of the month and gums. I shall gladly recommend it to my patients and do all I can to increase its popularity.
