PROFIT RETURNS

To an applicant for Life Insurance
no question is of greater importance
than that concerning the PROFIT
RETURNS likely to be paid under
his Policy.

It is a notable circumstance that
while the estimates of Profits to
Policyholders made by The Great-
West Life have always been high,
the RESULTS have been equally
high, or higher. No estimate has
ever failed of realization.

These high profit returns—with the
low rates and liberal conditions for
which The Great-West Policies are
known—account for the Company's
wide success. Over \$30,000,000
of Insurance is now held in force.
