HEALTH FOR A SHILLING! HOLLOWAY'S PILLS.

EXTRAORDINARY CURE OF LOSS OF HEALTH DISORDERED STOMACH, INDIGESTION AND DETERMINATION OF BLOOD TO THE HEAD.

Copy of a Letter from Mr. John Lloyd, of Erw-wen, near Harlech, Merionethshire.

To Professor HOLLOWAY,

SIR,—I avail myself of the first opportunity of informing you, that for a very long period I was afflicted with a dangerous giddiness and frequent swimings in the head, attended by loss of appetite, disordered stomach, and generally impaired health. Every means had failed to give me any permanent relief, and at length it became so alarming that I was really afraid of going about without an attendant. In this melancholy condition I waited personally upon Mr. Hughes, Chemist, Harlech, for the purpose of consulting him as to what I had better do; he kindly recommended your Pills, I tried them without delay, and after taking them for a short time, I am happy to bear testimony to their wonderful efficacy. I am now restored to perfect health, and enabled to resume my usual duties. You are at liberty to publish this letter in any way you may think proper.

I am, Sir, your obedient Servant,

(Signed) JOHN LLOYD. June 6th, 1852.

MIRACULOUS CURE OF DROPSY.

Extract of a Letter from Edward Rowley, Esq., of India Walk, Tobago, dated April 8th, 1852, To Professor HOLLOWAY,

DEAR SIR—I deem it a duty I owe to you and the public at large to inform you of a most miraculous recovery from that dreadful disease, DROPSY, and which, under God, was effected by your invaluable Pills. I was tapped five times within eight months, and skilfully treated by two medical practitioners, but could not get cured, until I had recourse to your remedy, and notwithstanding all I had undergone, this miraculous medicine cured me in the course of six weeks.

(Signed) EDWARD ROWLEY.

INFALLIBLE CURE OF A STOMACH COMPLAINT WITH INDIGESTION AND VIOLENT HEAD-ACHES.

Extract of a Letter from Mr. S. Gowen, Chemist, of Clifton, near Bristol, dated July 14th, 1852. To Professor HOLLOWAY,

DEAR SIR—I am requested by a Lady named Thomas, just arrived from the West Indies, to acquaint you that for a period of eight years herself and family suffered from continual bad health, arising from disorders of the Liver and Stomach, Indigestion, loss of Appetite, violent Head-aches, pains in the side, weakness and general debility, for which she consulted the most eminent men in the colony, but without any beneficial result; at last, she had recourse to your invaluable Pills, which in a very short time effected so great a change for the better, that she continued them, and the whole family were restored to health and strength. Further she desires me to say, that she has witnessed their extraordinary virtues in those complaints incidental to children, particularly in cases of Measels and Scarlatina, having effected positive cures of these diseases with no other remedy.

(Signed) S. GOWEN.

A DANGEROUS LIVER COMPLAINT AND SPASM IN THE STOMACH EFFECTUALLY CURED.

Copy of a Letter from Mr. Bestock, Druggist, of Ashton under Lyne, dated July 31, 1852.

To Professor Holloway,

DEAR SIR,—I have much pleasure in handing

to you a testimonial of the efficacy of your Medicines. A person in this neighbourhood with whom I am well acquainted was afflicted for a long time with violent spasmodic pains in the stomach and liver, arising from frequent colds, smells of paint, and the effects of a stooping position which he was obliged to assume in his business. The spasms were of an alarming character, and frequently left him in a weak and debilitated condition. At length he heard of the salutary effects of your invaluable Pills, and was induced to give them a trial. The first dose gave him considerable relief, and by following them up in accordance with your directions, they have acted so wonderfully in cleansing the liver and stomach, and strengthening the digestive organs that he has been restored to the enjoyment of good health.

I remain, dear Sir, yours faithfully,

(Signed) WILLIAM BESTOCK.

AYER'S CHERRY PECTORAL.

For the Cure of Cough, Cold, Hoarseness, Bronchitis, Whooping-Cough, Croup, Asthma, and Consumption.

In offering to the community this justly celebrated remedy for diseases of the throat and lungs, it is not our wish to trifle with the lives or health of the afflicted, but frankly to lay before them the opinions of distinguished men and some of the evidences of its success, from which they can judge for themselves. We sincerely pledge ourselves to make no wild assertions or false statements of its efficacy, nor will we hold out any hope to suffering humanity which facts will not warrant.

Many proofs are here given, and we solicit an inquiry from the public, into all we publish, feeling assured they will find them perfectly reliable, and the medicine worthy their best confidence and patronage.

From the distinguished Professor of Chemistry and Materia Medica, Bowdoin College, &c.

Dear Sir: I delayed answering the receipt of your preparation, until I had an opportunity of witnessing its effects in my own family, or in the families of my friends. This I have now done with a high degree of satisfaction, in cases of both adults and children.

I have found it, as its ingredients show, a powerful remedy for colds, and coughs, and pulmonary diseases.

PARKER CLAVELAND, M.D.

Brownwick, Me., Feb. 5, 1847.

Lowell, Aug. 10, 1849.

Dr. J. C. Ayer: I have been cured of the worst cough ever had in my life, by your "CHERRY PECTORAL," and never fail, when I have an opportunity, of recommending it to others.

Yours respectfully,

S. D. EMERSON.

Read the following, and see if this medicine is worth a trial. This patient had become very feeble, and the effect of the medicine was unmistakably distinct:—

UNITED STATES HOTEL, SARATOGA SPRINGS, } July 5, 1849.

Dr. J. C. Ayer,—Sir: I have been afflicted with a painful affection of the lungs, and all the symptoms of settled consumption, for more than a year. I could find no medicine that would reach my case, until I commenced the use of your "CHERRY PECTORAL," which gave me gradual relief, and I have been steadily gaining strength till my health is well nigh restored.

While using your medicine, I had the gratification of curing with it my reverend friend, Mr. Truman, of Sumpter District, who had been suspended from his parochial duties by a severe attack of bronchitis.

I have the pleasure in certifying these facts to you.

And am, sir, yours respectfully,

J. F. CALHOUN, of S. Carolina.

CHESTER, Pa., Aug. 22, 1846.

J. C. Ayer,—Sir: I was taken with a terrible cough brought on by a cold, in the beginning of last February, and was confined to my bed more than two months. Coughing incessantly night and day, I became ghastly and pale, my eyes were sunken and glassy, and my breath very short. Indeed, I was rapidly falling, and in such distress for breath, that but little hope of my recovery could be entertained. While in this situation, a friend of mine, (the Rev. John Leller, of the Methodist church) brought me a bottle of your CHERRY PECTORAL, which I tried more to gratify him, than from any expectation of obtaining relief. Its good effect induced me to continue its use, and I soon found my health much improved. Now in three months, I am well and strong, and can attribute my cure only to your great medicine.

With the deepest gratitude, yours,

JAMES C. ODFFEY.
