## GERMAN INSURANCE CONTRACTS STILL GOOD

Insurance policies issued by German companies before the war are still good in Canada, and the Canadian government is prepared to protect Canadians who possess paid-up insurance of this kind. The peace treaty provides that the war did not cancel such policies, most of which are held in Canada by Italians, Norwegians, Swedes and Russians. Sums falling due during the war on German policies are recoverable with interest at 5 per cent. from date they became due. The government is anxious to learn at once how much of this German insurance is held in Canada. Where enforcement of war measures prevented policyholders from paying premiums, it is possible to revive the policy by payment of overdue premiums before April 10th. The fullest possible information should be given in the notice sent to Ottawa.
