

LOUNGE ROOM: NEW PANTAGES THEATRE, TORONTO.

in turn opens into the inner lobby, both of which have been carefully designed in Italian renaissance style of architecture.

The inner lobby opens into the mezzanine promenade. This mezzanine floor is located between the orchestra and the balcony. It has an open well, 20 ft. wide by 40 ft. long, making it practically one floor from the orchestra to the vaulted ceiling of the mezzanine. Surrounding this open well is a broad promenade off of which opens retiring rooms for ladies and smoking rooms for men. Passages lead from this promenade to the lower part of the balcony, and stairways to the orchestra and to the upper part of the balcony.

The main body of the auditorium has a general

color scheme of old rose, carried out by means of draperies, velvet wall coverings and carpets.
