**ON THE ROAD**

to recovery, the young woman who is taking Doctor Pierce's Favorite Prescription. In maidenhood, womanhood, wifehood and motherhood the "Prescription" is a supporting tonic and nerve that's peculiarly adapted to her needs, regulating, strengthening and curing the derangements of the sex. Why is it

so many women owe their beauty to Dr. Pierce's Favorite Prescription? Because beauty of form and face radiate from the common center—health. The best bodily condition results from good food, fresh air and exercise coupled with the judicious use of the "Prescription."

If there be headache, pain in the back, bearing-down sensations, or general debility, or if there be nervous disturbance, nervous prostration, and sleeplessness, the "Prescription" reaches the origin of the trouble and corrects it. It dispels aches and pains, corrects displacements and cures catarrhal inflammation of the lining membranes, falling of the womb, ulceration, irregularities and kindred maladies.

"FALLING OF WOMB."

MRS. FRANK CAMFIELD, of East Dickinson, Franklin Co., N. Y., writes: "I deem it my duty to express my deep, heart-felt gratitude to you for having been the means, under Providence, of restoring me to health, for I have been by spells unable to walk. My troubles were of the womb—inflammatory and bearing-down sensations and the doctors all said, they could not cure me."

Twelve bottles of Dr. Pierce's wonderful Favorite Prescription has cured me."
