

SERVICE

YOU know what it means to have some big event suddenly change sales plans, or induce a change in copy and printing. You know, too, how often most printers fall down when you have a real need for imperative haste, and yet hope for a fine-appearing printed job. In most cases the two are so incompatible that a realization of your hopes is unlikely.

While we, naturally, prefer to take our time on exacting work in the best interest of the client, our facilities are such that, though we may be always rushed, we can still "get up on our toes" to do just a little better for you.

Keep this in mind when you are in a hurry, yet need the best appearing printing possible within the time limit. Keep it in mind, anyhow.
