

5. A request for restraint of proceeds shall be accompanied by :

- (a) a statement describing the grounds for believing that the person subject to the investigation or proceedings has benefited from drug trafficking;
- (b) a description of the property to which measures of restraint are to be applied including as far as possible the location of the property;
- (c) a statement specifying the person or persons in possession of the property, its connection with the subject of the investigation or proceedings and its connection with the offence to which they relate;
- (d) a statement describing the grounds for believing that the property represents the proceeds of drug trafficking;
- (e) a statement of any circumstances which would indicate that an offence has been committed within the jurisdiction of the Requested Party;
- (f) a statement describing the evidence which would be available for proceedings in the jurisdiction of the Requested Party; and
