

Questions

HOSPITAL GRANTS—PROJECTS APPROVED

Mr. Coldwell:

1. What is the total cost for each of the hospitals listed on page 836 of *Hansard* of February 23, 1949?
2. What is the total cost of all of these hospitals?
3. What is the total dominion grant which has been approved for each of such hospitals?
4. What is the total of all the dominion grants approved for these hospitals?
5. Which of the above-mentioned hospitals fall into each of the categories \$1,000 per bed and \$1,500 per bed respectively?
6. On what date did construction begin on l'Institut Medico-Pedagogique du Mont Providence?

Mr. Reid:

1. See table below.
2. \$52,997,228 (estimated).
3. See table below.
4. \$5,903,707 (estimated).
5. All the hospitals listed on page 836 of *Hansard* of February 23, 1949, fall into the category which would receive \$1,000 per bed

or a proportionate payment thereof, with the exception of the following hospitals, which would receive \$1,500 per bed or a proportionate payment thereof:

Prince Edward Island—Beach Grove.

Quebec—St. Joseph des Convalescents, St. Joseph sanatorium, Sanatorium Cooke, Sanatorium Begin, Sanatorium de Macamic, Sanatorium St. Georges, l'Institut Medico-Pedagogique du Mont Providence.

Ontario—St. Peter's infirmary.

British Columbia—Provincial mental.

6. October, 1946. While orders in council P.C. 3403 and P.C. 5504 covering hospital construction grants were passed on July 28, 1948, and November 30, 1948, respectively, provision was made therein for payment, under certain conditions, of such grants in respect of hospitals which were already under construction as of the 1st day of April, 1948, which was the case in this instance.

Province	Hospital	(1) Approx. cost as estimated by hospi- tal body	(3) Estimated federal grant*
