 Appointment as Deputy Speaker, M. (Mr. St. Laurent), agreed to, 1393  
 Rulings and statements  
 Bill  
   Amendment to which means an increase in expenditure not in order, 133  
   Amendment to which would involve expenditure of public money is out of order, 141, 145, 3406-07  
   Committee stage  
     General discussion on particulars of amending bill, 2462  
     Preserving rights of members to have a general discussion, 3964-65  
   Explanation usually given on first or second readings, 2864-65
- Deputy Chairman of Committees of the Whole**  
 —*Con.*  
 Rulings and statements—*Con.*  
 Bills—*Con.*  
   Resolution stage  
     Discussion on, 1702-04  
       Should not be on details of bill, 3680-81  
     Members may make suggestions . . . discussion could more properly take place in committee on the bill, or perhaps at some other stage, 2824  
     Question which should be asked in committee, 2800  
     Questions on must be relevant to the resolution, 1702-03  
     Unless unanimous consent is given to the discussion of details, minister cannot reply, 2825  
   Second reading  
     Bill is not dealt with section by section, 2411  
     Only the principle of the bill is discussed, 2628  
     Questions could be asked more properly in committee, 2622, 3068  
   Section cannot be carried subject to change later on. If it is not the intention of the committee to carry the item, it would have to stand, 4126  
   Title, amendment, 1613  
   Committee report, in order to discuss it if it has been tabled, 3794  
 Debate, audibility of, 2522, 2871, 3883  
 Discussion should be proceeded with in a much more serious vein . . . we are not going to make any progress unless we keep it at a high level, 4004  
 Documents  
   In order to quote from, but not to do so too extensively, 78  
   Not relevant to discussion, would not be in order to place on *Hansard*, 3062-63  
   Unanimous consent required to place on *Hansard*, 77  
 Estimates  
   Suggestions (may be made) quite properly on the first item, 2275  
   Supplementary, general discussion on, 2262-63  
   (There has been) a general discussion on the first item . . . Members of the committee should realize that to make successful progress a general discussion (should not be initiated) on every item which seems to give some scope, 2260  
   Unless there is unanimous consent the committee cannot revert to an item which has been carried, 2262
