FISHERIES

ISSUANCE OF NON-INUIT FISHING LICENCES FOR NORTHERN REGIONS—MOTION UNDER S.O. 43

Mr. Girve Fretz (Erie): Madam Speaker, my question under Standing Order 43 is on this same important subject. The Minister of Fisheries and Oceans (Mr. LeBlanc) has demonstrated a lack of concern for the well-being of the northern fisheries as well as the Inuit people who depend on that fishery for 70 per cent of their diet, by licensing six fishing vessels, in spite of inadequate environmental and ecological information, and the fact that the Inuit developed the fishery. Therefore I move, seconded by the hon. member for Lisgar (Mr. Murta):

That the minister suspend all non-Inuit fishing licences in the James Bay and Ungava area pending an environmental impact study.

Madam Speaker: Is there unanimous consent for this motion?

Some hon. Members: Agreed.

Some hon. Members: No.

JAMES BAY AGREEMENT—REIMBURSEMENT OF EXPENDITURES TO CREE AND INUIT—MOTION UNDER S.O. 43

Mr. Stan Schellenberger (Wetaskiwin): Madam Speaker, whereas the federal government has failed to deliver services as provided in the James Bay and Northern Quebec Agreement, and since the result of this failure is that the Cree and Inuit have spent a total of \$37 million of their own funds to provide such services to their people, I move, under Standing Order 43, seconded by the hon. member for Cariboo-Chilcotin (Mr. Greenaway):

That the government reimburse in full the Inuit and the Cree for moneys spent, by the end of this fiscal year.

Madam Speaker: Is there unanimous consent for this motion?

NATIONAL PENSIONS CONFERENCE

REPRESENTATION OF TORONTO TASK FORCE—MOTION UNDER S.O. 43

Mr. Bruce Halliday (Oxford): Madam Speaker, I rise under the provisions of Standing Order 43 on a matter of urgent and pressing necessity. The mayor's task force on disabled and elderly in the city of Toronto has been denied a seat at the National Pensions Conference scheduled for next week in Ottawa. In view of the large number of people that they represent in Toronto, I move, seconded by the hon. member for Don Valley East (Mr. Smith):

That the Minister of National Health and Welfare be asked to reverse her decision and invite representation from the mayor's task force.

Madam Speaker: Is there unanimous consent for this motion?

Some hon. Members: Agreed.

Some hon. Members: No.

THE CONSTITUTION

CONSERVATIVE PARTY POSITION IN PARLIAMENT—MOTION UNDER S.O. 43

Mr. Bob Rae (Broadview-Greenwood): Madam Speaker, whereas this House has been debating a Conservative Party amendment on the Constitution for six weeks—

An hon. Member: Who wrote this, Bob?

Mr. Rae: —and the Conservative Party has been engaged in a systematic strategy, which it is continuing now, of preventing other parties from presenting their own constitutional amendments on women's rights and native people,—

An hon. Member: Go to the Senate, Bob.

Mr. Rae: —and preventing this House from even considering its own business, thereby gagging Parliament, I move, seconded by the hon. member for Mission-Port Moody (Mr. Rose):

That this House reaffirms its obligation to the country to consider, with full and fair debate, all matters of substance and concern to the people of Canada, and regrets the systematic obstruction of any improvements to the constitutional resolution currently being carried on by the Progressive Conservative Party of Canada.

Some hon. Members: Hear, hear!
