From the Toronto Bible Training School.

The Bible Training School *Recorder*, in its issue for November, has the following:—One of the members of our General Council, Mr. T. M. Harris, the only surviving brother of our President, has entered into rest at the early age of thirty-three. He was deeply interested in the establishment of the Bible Training School, and gave valuable advice from the very beginning of the enterprise. It had his full sympathy and fervent prayers. If his life had been spared, he expected to become closely connected with the School, and, during his last days, he gave directions for a liberal donation to its funds. He was able to attend only one meeting of the Council, and had the Lord willed, much was expected from his sound judgment and useful service. May many like-minded helpers be raised up to take part with us in this great work. At the formal opening of the Home, on motion of Mr. John Stark, a committee was appointed to draft a resolution, expressing the sympathy of the Council with the bereaved friends.

That committee, consisting of Rev. Dr. Hooper, Mr. Wm. Ferguson, and Mr. Jos. H. Shenstone, reported as follows:— Whereas it has pleased our Heavenly Father to take to his rest our dear brother, Thos. M. Harris, in the opening days of this Bible Training School, we desire to express, by these minutes, our appreciation of God's gift, which was ours for so short a time; and, in so doing, gratefully record our brother's interest in the founding of the School, and his proposed connection therewith; the great grace manifested in his last days, for which we praise God; and the provision he made for continuous aid for the work, which manifested his thoughtful and prayerful care.

We do, by this, likewise express our Christian sympathy with the President, Rev. Elmore Harris, B.A., in the loss of a fond brother, and with Rev. Dr. Stewart, Resident Instructor, in the grief brought to his bereaved daughter.
