## SATURDAY SCORES AT LONG BRANCH

Some "Top Notchers" Under Tricky Conditions-Big Attendance.

## PTE. HOBBS' FINE SCORE

Only One Short of Possible-Fishtail Wind in the Afternoon.

Saturday afternoon gave the Toronto riflemen some excellent practice in the judging of winds. In the early afterjudging of winds. In the early afternoon light airs from the right prevailed and one or two top notch scores
were registered. Private A. H. Hobbs
of the 48th succeeded in making 104
and Private Templeton of the Q.O.R.
103 out of the possible, 105.

Later in the afternoon the wind
veered round to the left rear and was
of the fish tail order and fairly strong.

a cartridge was put into the gun.

Men Well Pleased.

Altho these conditions kept the
average scoring a little lower than
usual, the men were well pleased with them, as it is just such tricky conditions which bring the men into good shape for the O.R.A. and D.R.A.

The 12th York Rangers were absent from the ranges on Saturday, they having gone to Buffalo to shoot a match with one of the regiments there. The following are the leading

## CORNER STONE OF NEW CHURCH LAID WITH FITTING CEREMONY

J. A. Paterson, K.C., Used the Silver Trowel and Rev. A. L. Geggie, Moderator of the Assembly, Delivered a Short Address — Church Has I nteresting History.

A most important event in the history of Presbyterianism in the Fairbank district took place last Saturday afternoon at 3.30 o'clock when the cornerstone of a new \$12,000 church was laid with fitting ceremony by J. A. Paterson, K.C., in the presence of a large gathering of clergy and laity. The proceedings opened by the reading of an appropriate portion of Scripture by Rev. W. A. McTaggart, paster, Wychwood Presbyterian Church, after which a historical sketch of the Fairbank Presbyterian Church was read by R. Geggie, secretary of the building committee.

Mr. Paterson then laid the corner stone with a solid silver trowel, presented by John Wilcox. a member of the session, and chairman of the board of management, on behalf of the congregation. The trowel was engraved with the followed as paster with a solid silver trowel, presented to J. A. McKay had charge as ordained missionary.

On the first of April the congregation scurred the services of Mr. Buchanan, a theological student of Knox College, for the summer months, who supplied Fisherville in connection. The presbytery at its April meeting united the two congregations into one charge.

On Dec. 22, 1890, the Rev. Alex. Wilson continued as paster until 1894. Between 1894 and 1899 students from Knox College supplied the pulpit, the work being carried on during the summer by students or by other missionary residents in the field.

Rev A. L. Geggle, moderator of Pres-bytery, led in prayer, and delivered a short address, in which he encouraged the congregation to go forward in the good work, looking for larger things than ever in the past, and to be united in their efforts for the Master. Rev. C. A. Mustard, pastor of St. Davids, pronounced the benediction, and a splendid selection was rendered by Miss Shand, soloist of Bonar Church, at the conclusion of the ceremony. A letter from Rev. H. Young, rector of St. Hilda's,

from Rev. H. Young, rector of St. Hilda's, was read, expressing regret for non-attendance and good wishes.

The history of the Presbyterian Church in the district of Fairbank is as follows: In the month of February, 1889, J. C. Madill and Robt. Brown, visited the district and found several Presbyterian families in the neighborhood who had no place of worship, nearer than the city, and applied to the Presbytery of Toronto for leave to establish a mission. The Presbytery appointed at once a committee, consisting of Rev. James A. Grant, convener; Rev. John Mu.ch, Rev. Walter Reed, and Messrs. Christie and Paxton, elders, to examine the district and report.

The church was opened for divine services on the third Sabbath of July 1889
Rev. W. Hunter of Erskine Church, Toronto, preaching in the morning. Rev. John Milliner of Zion Methodist Church in the afternoon, and Rev. Dr. Parsons of Knox Church in the evening.

The mission made such progress as the warrent the people in neititioning the

presbytery to organize them into a congregation, which was granted, and an in-terim session was appointed for that pur-pose, consisting of Rev. W. Reid. Rev. James A. Grant and John Spears, elder. Twenty-one united by profession of faith

Fairbank and Fisherville were separated.

Pastor Appointed.

In October of that same year the present pastor, Rev. T. A. Watson, B.D., was appointed by the Presbytery to take up the work at Fairbank. There were then 33 members on the roll, the membership now being 120. The enrolement of the Sunday schol is now 150, with 75 on the cradle roll. Of the present membership only a few were identified with the congregation in the early period of its history, namely, James MacDonald, Mr. and Mrs. Wm. Deacoff, Mr. and Mrs. John Wilcox, Mr. and Mrs. Robb, Mr. and Mrs. H. Deacoff, and Miss M. Gardiner.

and Mrs. H. Deacoff, and Miss M. Gardiner.

District Growing.

The old church building on Vaughan road, being unsuitable for carrying on the work at present, and in view of the growth in the district, it was decided in January of this year to effect a new building on the church property, corner Eglinton avenue and Dufferin street, which would be suitable for school and church poses. A building committee was appointed, consisting of Rev. T. A. Watson, chairman; R. Geegle, secretary; W. Johnston, D. Campbell, Chas. McMinn, Alex. Gray, Miss M. Gardiner, Mrs. Wm. Deacoff and Mrs. Waterman. The cost of the building will be about \$12,000, with a seating capacity of 500, including galleries. Mr. Wm. R. Gregg was engaged as arcintect and the contracts were let to the following: Brick work, Smallwood Bros.; carpenter work, H. Deacoff; plastering, E. Gale; roofing, Robt. Rennie & Son; structural steel work, McGregor and McIntyre; painting and glazing, C. Roberts & Co.; heating, Howard Furnace Co. The building was commenced on June 10, and on July 13, the day preceding the 25th anniversary of the opening of the church on Vaughan road, the corner stone was laid.

## TODMORDEN SCHOOL TAXES TO TREBLE

Residents Regard Annexation as Very Acceptable Solution.

The annexation of Todmorden to the City of Toronto is the prevailing topic of conversation among the residents of that locality. That subject is provoking plenty of discussion there and much praise, as well as adverse criticism, has been leveled at the city council for their action of last well as adverse criticism, has been leveled at the city council for their action of last Friday in deciding to annex Todmordei, providing that district found it desirable. "It was up to the city council to take the next step," declared a prominent rate-payer to The World, in summing up the situation, "and now that they have taken it, we can do no better than take advantage of the opportunity and join the city."

School Tax Heavy.

The school tax is spoken of on all sides as an important consideration in favor of annexation. Last year's levy for educational purposes will be practically increased three times on account of the fact that the ratepayers will have to pay the interest on the debt contracted on their new \$100,000 school now in course of erection. They have also to pay a considerable sum to lessen the debt on that school, besides contributing to the annual cost of maintenance. This, many of the ratepayers consider, will be a burden too heavy for the community to bear, and they consider that the aid of the city will be very acceptable.

Will Lay Sidewalks.

A wooden sidewalk will be placed on Silverthorne avenue and charger walks will be placed on Silverthorne avenue and charger walks will be placed on Silverthorne avenue and charger walks will be placed on Silverthorne avenue and charger walks will be placed on some side streets. Owing to the uneven surface of a portion of Silverthorne and the water draining over some of the land, it was pointed out to the owners that this was a matter immediately concerning the people who purchased the lots, and that the owners would have to overcome the water difficulty themselves.

Improvements will also be made in the Caledonia district. Regarding

they consider that the aid of the city will be very acceptable.

Water Scarce.

Another instance cited is that the city water mains are within half a mile of the new Todmorden public school, and that altho there is a plentiful supply of water within easy reach, the builders have to be satisfied with the meagre supply obtained from two wells to do the concrete work with. This, it is agreed, is holding the work back quite considerably, and yet those in charge of the building declare that nothing can be done.

done. Meeting Called.

While the topic of annexation is arousing unusual discussion there is some doubt expressed as to whether a vote can be taken without the township council first passing a bylaw authorizing the taking of such a poll. A meeting will be held on Wednesday night at the intersection of Woodville and Pape avenue. The mayor and members of the council have been invised to attend, and residents we been invited to attend, and residents

GALT IS ALSO INVADED

Prompt Steps Are Being Taken to Check Progress of Pest.

GUELPH, Ont., July 19.—The army worm made its appearance in this vicinity yesterday and strange to say, the only place it has so far been noticed in a field of corn at the Ontario Agricultural College.

Where the worms came from no one seems to know and so far the college authorities are not apprehensive. Mr. Douglas, farm superintendent, said he thought they would not do any serious damage and that they would be able to grapple with them. They cover quite an area, travelling southward in two sections, the most important body covering aboutten crops. Men were at work this morning, plowing a deep furrow in the path of the invaders, so arranged that when the worms get into the ridge they cannot get out. They will then be destroyed by poison or other means, some using straw and setting fire to it.

will then be destroyed by poison or other means, some using straw and setting fire to it.\
Also Found at Galt.
GALT, July 19.—It was discovered that the army worm which has been doing so much damage in Oxford and Brant Counties had invaded Waterloo County, both in the south and north section Saturday. It is supposed that the pest migrated here from north section Saturday. It is supposed that the pest migrated here from Oxford County. James Currie, who lives on Sprague road, six miles from Gait, was going thru a field of barley when he noticed some worms on the path, and fearing they might be army worms, put several of them in a bottle and brought them to J. S. Knapp, district representative of the agricultural department here. In the evening Mr. Knapp visited the field and found thousands of the worms. Adjoining fields were inspected, but only the one of barley was found infested. Today a furrow was plowed around the field and an effort made to exterminate the pest. In the north part of the county the worm has been discovered on three farms on the Breslau road, and here also the trench method has been resorted to.
