

INDEX OF RAILROADS.

N. B.—Branches, or minor roads, will generally be found under the name of the main or controlling line. The latest names, owing to the constant changes, can not always be given, but in some instances roads, given in the body of the book under an old name, will be found indexed under the new, as well as the old. The Guide is in itself an Index, and this Index is only an additional help to the traveler.
