

UNION-CARTON

to produce a new and improved
method of printing and
publishing books and
periodicals.

The object of the present
work is to give a
complete and accurate
description of the
principles and practice
of the art of printing
and publishing books
and periodicals.

THE
LAW

OF

Shipping and Navigation.

Shipping and Navigation.

INTRODUCTION.

IT is proposed to take an historical view of the law of England with regard to Shipping and Navigation. The increase of shipping, and the improvement of navigation, are objects that have frequently engaged the attention of the Legislature; and various provisions have been made from time to time, by which it was endeavoured to confine, as much as possible, the trade to and from this country, the employment of the fisheries, and the conveyance coastwise, to the shipping and mariners
