THE IVY LEAF.

The Ivy Leaf is one of the few modern Irish Dramas that does not falsify and belittle the Irish Character; does not deal in low life scenes or vulgarisms, but lifts up the Irish character to its true and proper sphere of respectability. It ennobles, does not degrade. It properly portrays, does not caricature. On this account it is eminently worthy the support of the respectable Irish people, as well as those who respect the blessed land with the emerald turf.

The Ivy Leaf will be the attraction last three nights of Fair, Sept. 20th, 21st & 22nd.

The island of Ceylon produces a tree that is without bark. The leaves are perfectly square and fold up at sundown.

Fringe-tail fish, which are cultivated in Japan, sell for \$100 apiece. Many such fish are found in the aquariums of wealthy New York families.

Old Grumps—Sure that girl loves you instead of your money? Son—Absolutely. Why, she actually keeps count of the kisses I give her. Old Grumps—That's bad. She may keep it up after marriage.
