Toronto Scores the Only Run In Game With Dunn's Orioles

Hunter and McCloskey Ejected From Grounds---Buffalo, Rochester and Montreal Other Winners.

It was in the fourth innings yesterday at Diamond Park that Toronto scored the only run of the game, thus winning the first of the series from Baltimore. It was also in the fourth that Hunter was ordered out of the game, and when McCloskey butted in he was also given the overland route. McCloskey then became a little fresh and slapped Umpire McCarthy over the face with his glove. Well, what happened? It just took about half a dozen players to hold Mac from getting at the "freshie." Finally order was restored and the game continued, but not before "Umps" received the glad hand from the stand. McCloskey will likely enjoy a few weeks' rest and a fine.

Toronto had chances before the fourth to tally, but failed. However, in this innings Wotell led off with a single and Flynn bunted to Hunter. McCloskey was slow in covering the bag, but at that beat the runner, only to drop the ball. It was here that Hunter made his senseless kick, leading to the above results. Toren relieved McCloskey and when Frick bunted he threw the sphere to right field, letting Wotell score, Flynn going to third, but being caught at the plate on Hurley's fielder's choice. Moffit and Thoney failed to get on and so ended the scoring.

Moffitt was in rare form for the Maple Leafs, not a hit being registered off him till the sixth, when Burrell secured a safety, going to the last switch on Toren's out and O'Hara's sacrifice, but there he died as Hall fell by the wayside. The visitors looked dangerous in the ninth, but with one down and Hall on first, Dunn hit into a double play.

Frick was the star of the game yesterday, fielding his position with ease. In the fifth Rapp drove a hard liner right at him. Frick stopped the sphere's flight and threw Hearne out at second, only to find that his second finger was knocked out of joint. It was hard on Frick and hard on Rapp to rob him of a hit. Hall and Burrell did some clever fielding, while O'Hara covered lots of ground.

Schafly, the new second baseman, arrived yesterday and was out to practise before the game. He lost his glove, shoes and a trunkful of other articles in a wreck between here and Washington, which was the reason for his not being in the game. He looks good.

A slight rain fell before the game started and during play the sky was clouded, especially so in the last two innings, when McCarthy could have called the game at any time. Score:

BIG LACROSSE GAME TO-DAY AT ROSEDALE

Shamrocks Play Torontos—Beaverton Checkers Trim Newmarket—Gossip.

To-day's lacrosse game at Rosedale between Shamrocks and Torontos should be one of the best games seen in Toronto in a long time. Shamrocks are going strong this year, as their victory over Montreal last Saturday will indicate.

Joe Lally has been agreed on as referee, and he will select his own judge of play. The games starts at 3.30.

The teams for to-day's game at Rosedale will likely be as follows: Torontos: Goal, Regan; point, Francis; cover, Menary; defence field, Hamburg, Kervin, Green; centre, McKenzie; home field, Taylor, Gilmour, Barnett; outside, Cameron; inside, Kalis. Shamrocks: Goal, Tierney; point, Howard; cover, Kavanaugh; defence field, Rockford, McIlwaine, O'Reilly; centre, Currie; home field, Robinson, J. Brennan, Hennessey; outside, P. Brennan; inside, Hogan.

Collingwood C.L.A. juniors defeated the Thornbury-Clarksburg combination at Thornbury yesterday 6-1. Waghorne was referee.

At Beaverton yesterday in Intermediate C.L.A. No. 1, in one of the finest exhibitions of our national game ever witnessed there, Checkers took the Talagoos of Newmarket into camp by a score of 6 goals to 2. The Talagoos are a fine lot of gentlemanly players, and were evidently in the better condition of the two teams, but the speed and better team play of the Checkers were not to be denied, and from half time on the result was never in doubt. The "Checkers" of to-day are probably the best team that ever donned the red sweaters so well-known in the lacrosse world, and the town is confidently looking forward to their winning the intermediate championship this year. Sunderland, Cannington, Pefferlaw, Woodsville and all the neighboring players were well represented at the match. Henry of Brampton refereed the game satisfactorily.

Badges admitting to the Rosedale Club house for all lacrosse events, including visit of U.C.C. team and the international cricket match, can be obtained from secretary at grounds today.

"It will be a hard game, but we'll win," said Jimmy Murphy yesterday.

The Crescents meet the St. Simons on Saturday afternoon on the east side of the Don flats at 3.30. All Crescent players will kindly be on the grounds at 3 o'clock sharp.

Rosedale grounds should be packed to-day for the Shamrock-Toronto game.

All Saints juvenile lacrosse team will practise on Monday night at 6.30 on Queen Alexandra School grounds, Broadview-avenue. The following players are requested to turn out: Gray, Barnhouse, Harcourt, Edwards, Beavis, Beilley, Barry, Lynch, Dallimore, Brown, Irwin, Ruddy, Mortimer and Sanderson.

If you miss to-day's game at Rosedale you miss a dandy.

In an exhibition game of lacrosse on Wednesday the Elmvale Junior C.L.A. team defeated Stayner at Stayner by a score of 4 to 2. The game was rough all thru.

Straight Heats on Closing Day Of Seaforth's Successful Meet

Old Maid, Johnny, King John and Darkey Hal the Winners—Next Week at Listowel.

SEAFORTH, June 21.—(Special.)—The Canadian circuit races here were brought to a close to-day before an enormous crowd for this place. It is estimated that fully 2500 people witnessed the final heats of the best meeting ever held by the Seaforth Trotting and Pacing Association. Unlike the races of the two previous days of the meeting, those of to-day were won in straight heats. Old Maid won the two heats necessary for her to grab first money in the unfinished 2.16 pace, held over from yesterday. It was easy for her to parade in front of Wisdom King thruout each of two heats. The latter was not able to get to her at any stage.

The Brantford trotter, Johnny, was looked upon as the good thing in the 2.30 trot, and he certainly made good, taking a record of 2.18½ in the third heat, which he won by several lengths pulled up. He won in straight heats and looked all over the best trotter that ever faced a starter on a half mile ring in this country, without a record. The only contest in the race was for second money between King Bryson, owned and driven by Ald. Sam. McBride of Toronto, and Ella Nevada, driven by Jack Rombough. The former was second in each of the first and third heats, but repeated breaks in the last heat caused him to be placed behind the mare in the summary.

King John, the chestnut pacer that was a winner at Wingham and at London again made good in the class for 2.24 pacers and 2.20 trotters. He won off the reel without being strung out at any time. George Powell's mare, Minnie Bell, showed remarkable speed in each of the first two heats, when she landed in second place after scoring badly. There were two trotters in this race, Miss Wilton from Meadville, Pa., and Sid Barnes, owned by W. W. Hodgson of Montreal. The latter worked into third money by landing second place in the final heat.

Darky Hal, 2.07 3-4, owned by J. E. Swartz of Wingham, and driven by Jack Rombough, was the favorite, for the free-for-all and rewarded her backers by landing the race in straight heats. Captain Sphinx, 2.06 1-4, owned and driven by Bob Kettle of Sarnia was easily second, beating the Indiana pacer, Byrl Wilkes, 2.05 1-4, handily.

The meeting has been a very successful one from every standpoint. The ring has been clean, as there has not been the slightest suspicion of crookedness on the part of any of the drivers, who scored for the money.

All the horses that were raced here will go to Listowel for the meeting, which begins there next Tuesday. The following is the summary of to-day's races:
