CHEAPER POWER AN PANIES.

Much is talked these ronto by the supporters tric ring about the right panies they control an holders in them, but n

by them about the righ zens whose franchises t

as undertakers to ope

franchise they have ob as onerous to the peopl vince and the city as to the holders of their stock. All over this continent the position of public service companles as public trustees is being emphasized and enforced and this is being done as a matter of right and justice. The obligation, too, is one that

rests on shareholders quite as strongly as on the directors who are supholders are not innocent of complicity when the financial' rings and syndi-

private profit.

The passing of the power bylaw is would not be in the least objectionable were the companies it affects organized on a strictly business basis. But these companies are being used for something other than the straight interests waived by the controlling syndicate and its defenders. It is stretching no man's credulity when the affirmation is made that the privilege of developing Niagara energy is valuable enough to yield a fair return on invested capital while supplying light and power at much less than the present rates exacted by the Toronto Electric Light this variation dismissing the appeal Co., the distributary end of the allied ists themselves held out visions of cheap light and power when they were

There are two features introduced which are dignified by the attachment morrow (Xmas) afternoon. Alicia, the banker's daughter..... There is no reaching for effect in the famous racing play, "His Last Dollar," at the Grand this week. While full of excitement the effect is gained solely thru the tenseness of the dra-matic situations. The play has been seen here for several seasons, but it seems to have lost none of its attrac-tiveness, as the Grand audience last night enthusiastically applauded the author-actor, David Higgins, and his support at the act climaxes. Mr. Hig-gins gave a splendid interpretation of the role of Joe Braxton, the jockey and speculator, while Mary Servoic-was charming as the pretty soft-voicseems to have lost none of its attrac-**Always Treasured** was charming as the pretty soft-voic-ed Southern girl, Eleanor Downs.
