Standing of O.H.A. Clubs in the Various Groups

Trenton Intermediates Look Good, Also Midland—Varsity Juniors are Strong—Many Games Played.

The ending of the week finds the O.H.A. well on their season's play. Two senior matches were disposed of, one last Saturday night between Eats and Rowing Club, which was won by the big team, while St. Michaels broke their hoodoo by defeating Stratford at home by 5 to 3 after a grand struggle.

The intermediate series is uncovering some fast teams. Mention might be made of Trenton in Group No. 1. This club is going along very nicely and from reports will be hard to beat. Whitby are doing well; also Broadview and Drumbo. The latter look to have their group clinched. Preston are still unbeaten and several people expect to see Midland down the back. The Woodstock Juniors, who have been gathering together a bunch of boys to be proud of, Seaford and Gravenpurs are looking forward to championship honors. Taking everything into consideration from the present standpoint, the O.H.A. finale will be games well worth seeing and it should be one of the greatest seasons of Canada's premier hockey organizations. HARROW WALKS ON WAGER MAKES GOOD TIME TO DON

This Englishman is 62 Years Old and Has an Old Country Record—Wants Match.

Another long-distance walker has come to light in the person of Walter Harrow, aged 62. Harrow in his prime was champion long-distance walker of the East End of London for thirty years, and in that time won 72 out of 99 wagers. Harrow came here from England eight years ago, and has been a hotel porter in Sudbury, coming to Toronto four months ago. On Saturday afternoon, on a wager that he could cover the distance to the Don River and back, from the Hotel Rupert at the corner of Parliament and Queen, a distance of 14 miles, in less than fifteen minutes, Harrow walked twice, doing it the first time in 14 minutes, and the second time in 14 minutes. He was accompanied by Jack Robinson, and those who saw him say he is one of the fastest walkers they have ever seen. On Tuesday night, at 8:15, Harrow is to walk from the Hotel Rupert to the Halfway House and back, a distance of fifteen miles, on a wager that he will cover the miles in 2 1/2 hours. He will have a competitor as far as the Kingston road in the person of Jack Robinson. Later on Harrow will walk James Frazer on a side bet. Golden and Webb walked seven miles at the armory, Harrow entered, but was barred on the ground that he was a professional, and the walk was only for amateurs. Later on he challenged either Webb or Golden to a walk, but his challenge was not accepted. Micky Bass, ex-amateur champion boxer of Canada at 125 and 135 pounds, is Harrow's manager, and thru him Harrow is willing to meet any man his own age in Canada in any long-distance walk.

AUTOMOBILES FOR FIRE BRIGADE AT PORT ARTHUR
The fire department may install motor trucks as a substitute for horses. As there is seldom more than six inches of snow during the winter, they could operate to advantage all year round. It would materially reduce the time consumed in answering fire calls in the residential district on the hill. A new fire alarm system will be established at once. A by-law was passed last night, authorizing an expenditure of \$20,000 for this purpose.

Toronto coach builders report more auto business than they can handle. The best Canadian auto bodies are equal to any in the world.

Wychwood Wins Exhibition.
Wychwood Presbyterian Church defeated the Coxwells of the Beaches League in an exhibition game on Small's Pond Saturday afternoon, by 3 to 2.
