BASEBALL.
Sherrod Smith Enlists.
New York, Dec. 17.—Charles Ebbetts, president of the Brooklyn National League baseball club, has received word from Sherrod Smith that he had enlisted in the army. Smith is now at Camp Gordon, Atlanta, Ga. Brooklyn now contributed five players to the vice, of whom four, Smith, Pfeffer, Gore and Miller are pitchers.

Baseball.
Fred Mitchell is Happy.
One of the happiest men in baseball is Fred Mitchell, the clever manager of the Chicago Cubs. When he learned that the man who had landed Alexander and Ivers, Mitchell said that at last he had a chance to give Chicago fans a winner. He declared that no National League team would excel the Cubs pitchers and catchers. Mitchell added that he would have a strong team side of the batteries, the regulars including Merkle, Doyle, Kilduff, Hot Deal, Mann, Williams, Flack and rs. He admitted that Wegman sure after one or two infield and out stars, and that if they were obtained he predicted that the Cub's pent chances would be unassailable.

Record Baseball Deal.
The Cubs have broken all records with the \$75,000 deal for Alexander and Ivers. Hitherto the highest sum paid for a pitcher was \$20,000 for Eddie Collins and \$10,000 for Jackson. The Cubs also paid \$50,000 for Tris Speaker. The deal for the Cubs was made in 1916, while the Yankees released Frank Baker for \$37,000 and a Magee for \$22,000. KIDNEY TROUBLE AND BACKACHE
Cassell's Tablets Strengthen the Kidneys and Restore their Natural Activity.
Kidney trouble means kidney weakness. Dr. Cassell's Tablets strengthen kidneys through the kidney nerves, thus effect cures where ordinary pills fail. The average kidney pill or cure is designed to relieve symptoms, but is really due to imperfect kidney action. Dr. Cassell's Tablets, on the other hand, go to the root of the trouble, by supplying vital power and enabling the kidneys to act properly. A moment's thought will show that is the right method, and why Dr. Cassell's Tablets cure so thoroughly.

Children Had Whooping Cough
Whooping cough, although specially a disease of childhood, is by no means confined to that period, but may occur at any time of life. It is one of the most dangerous diseases of infancy, and yearly causes more deaths than scarlet fever, typhoid or diphtheria, and is more common in female than male children.

Children Had Whooping Cough
Whooping cough starts with sneezing, watering of the eyes, irritation of the throat, feverishness and cough. The coughing attacks occur frequently, but are generally more severe at night. On the first sign of a "whoop" Dr. Wood's Norway Pine Syrup should be administered, as it helps to clear the bronchial tubes of the collected mucus and phlegm.
