

Tailors to His Majesty -- "The Man"

We make more Suits in a Single Week than most tailors make in One Year

That is why our price is so much less. Other Tailors charge \$25 to \$40 for All-Wool Made-to-Order Suits, of which a surprisingly large proportion is profit. We, as a result of huge production, sell the same thing for \$15, no more, no less.

"Made to Measure"

Mail Orders

It costs nothing to get our outfit including samples, self measuring chart, tape and fashion book. It brings our Store to your door.

This is, without doubt, the greatest achievement in the History of the Tailoring Business: -- "Choice Imported Woolsens Tailored into Made-to-Order Suits for \$15, no more, no less."

THE HORSE GRAFT

Frauds Grow Worse as Probe Goes Deeper into Nova Scotia Purchases -- The "Duck and Drake" Horse

Kentville, N. S., Aug. 12--Harvey is a good kind of a fellow. He must have made well on his horses today, because he gave me \$10. This is what Dr. Chipman, the government veterinarian, who passed upon horses presented for sale at Kingston last year for the use of Canadian troops, bound overseas, told John P. Cropley, of Kingston, one of the witnesses who testified at today's sitting of the Royal Commission, now here investigating the purchase of horses in this county.

The more recent history of the famous horse that at one time in its career was traded for two ducks and a drake, and which was sold to the government officials at Kingston last year for \$80, was detailed today. Charles Ullman, farmer of Dugan's Road, said he once owned the famous duck-and-drake horse. He sold this horse to Hal Daniels. This horse had an accident while in his possession. "Was he almost dead when you sold him?" "Well, pretty well onto it." "What did you sell him for?" "I sold him for \$5 to Daniels." "Cash?" "No, sir, I took two ducks and a drake instead." The horse was twenty-four years old when he sold him to Mr. McKay at Kingston for \$150.

University of Toronto Files Order From Ontario Government

Toronto, Aug. 12--The Ontario government has placed an order with the University of Toronto calling for delivery of 1,000 syringe packages of tetanus antitoxin every month. The order also calls for almost immediate delivery of \$5,000 worth of material.

DON'T USE SOAP ON YOUR HAIR

When you wash your hair, don't use soap. Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle. The best thing to use is just plain mulled coconut oil, for this is pure and entirely greaseless. It's very cheap, and beats soap or anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.

A SPLENDID WAY TO REDUCE ONE'S WEIGHT

There is, perhaps, no one thing that shows the passing of our youth so much as the horrible tendency of some of us to put on too much weight after we have reached the age of 25 or 30. However young our face may appear, our figure "gives us away."

RING

Fitz Will Open Boxing School. "Bob" Fitzsimmons, former world's champion, is looking for something remunerative to do. He is not going on the stage, however. As soon as he gets some money, he says, he is going to Buenos Ayres, Argentina, to start a boxing school for the plutocrats of that city, who, according to the former champion, are enthusiastic about the manly art.

ATHLETIC.

Failed to Equal World's Record. San Francisco, Aug. 12--J. E. (Ted) Meredith, national champion in the 440 yard dash, failed to equal the world's record for the straightway distance in a special trial at the Panama-Pacific Exposition. His time was 48.3 seconds, while the record is 47 seconds, made by Maxey W. Long, in 1900.

South End League

The Curlews defeated the Victorias in the South End League fixture last evening by a score of 6 to 3. Had the Victorias won they would have clinched the open championship. C. McKel was on the mound for the winners and held his opponents hits well scattered. Doyle also pitched well for the losers.

East End League

In the East End League last evening the Alerts defeated the Commercials by a score of 5 to 3. The game was well contested and was witnessed by a large number of fans. Lawlor pitched a good game for the winners, allowing only four hits. Hansen was on the mound for the Commercials and with better support would have made it hard going for the Alerts. Three of their runs were scored on errors.

Maples Win from Thistles

The second game in the series of five between the Maples and Thistles of St. Peter's League, was won by the Maples last evening by a score of 4 to 3; McKel was on the mound for the winners and White for the losers.

Plank Pitching Well

Eddie Plank, the forty-year old southpaw, has pitched some great games during his sixteen seasons of service in the major leagues, but he probably never uncorked a better contest than he exhibited recently in the 14-inning battle against the Whales of Chicago. True, Plank was b-n 2-4, but a great battle it was. The Whales made only three hits off the sid wheeler. What's more, he had perfect control, passing only one batter, in the final frame. In eleven of the fourteen in-

OPERA HOUSE

There is a pretty good show at the Opera House tonight, the programme presented by Jere McLaughlin and the Honan Musical Company being one of the strongest of the engagement. Some of the features include the sensational comedy drama in one act: "The Great Diamond Mystery"; Jere in a lot of good parodies including his old favorite "Sucking Cider through a Straw"; "Sleepy Moon"; "The Human Quartette"; "Bagdad"; "The Flower Garden Battle"; a clever Highland Fling by Clara Kigin and other pleasing numbers.

VALCARTIER NOTES

This morning's train brought 92 recruits for the 40th. Battalion and it is understood 180 are expected tomorrow, which, with some already recruited brings the battalion nearly to full strength, even when the overseas company have been taken out. Nova Scotia has certainly done well in recruiting for its regiment.

Private E. H. Creed, Methodist minister, has left the stretcher bearers' corp to which he was attached and has gone into the ranks of the overseas company. All the members of the band have been made stretcher bearers and as the band will lose some of its members in the going of the draft company there is room for some of the fine handmen in St. John to serve their country in this excellent way.

A. C. Thompson, of the postal service, St. John, was in camp today, visiting his son, Lieutenant W. H. Thompson, who is attached to the overseas company.
