# WILL SETTLE MARTIME SEMI-FINALS AT CAMPBELLTON TONIGHT

## SCHOOL FINALS OPEN AT CAPITAL TUESDAY

Return Game To Be Played At Bathurst Friday

CAMPBELLTON, New Brunswick champion for 1925, and Charlottetown Abegweit, battle for the right to get into the finals for the Martime title tonight at Campbellton. The game will be a great showing. Abegweit, however, are by no means out of the picture, and Chick Williams and his cohorts will be in there every minute. Williams, former Maple player, is the dangerous man on the inside line-up. He scored 4 goals against Amherst in one game, and it was his stick that propelled the lone score made by the Abegweits against Campbellton last Thursday night. McLean scored Campbellton's lone goal in that game and as both teams tied, the game will be settled tonight. The Martime finals start at 7:30 p.m. Tuesday and conclude on Thursday next week.

**SCHOOL PLAY-OFF.** Fredericton High School and Bathurst High qualified for the finals of the New Brunswick school championship, and the Telegraph-Times trophy last night. Fredericton easily beating St. Stephen, 10 to 0, and Bathurst downing Sussex High at Bathurst, 9 to 0. Despite the one-sided scores in each case, the games were hotly contested. Sussex held Bathurst safe in the first and last sessions but were hopelessly outclassed in the second. The play-off between Bathurst and Fredericton will take place next week, according to W. E. Stirling, New Brunswick vice-president of the M. P. B. The first game will be played on Fredericton ice next Tuesday night with the return game in Bathurst on Friday night of next week.

The Sussex boys were well treated last night at Bathurst, a banquet being tendered them following the game.

**THE LINE-UP.** Bathurst—Bend, goal; Gaudin, Halnes, defence; centre, Fournier, wings, Luce, A. Auble, spurs, Doucette, Barber, Curwin.

Sussex—Goal, Wilson; defence, Bolton; centre, McDonald; wings, Kennedy, Prescott; spurs, Matthews, McLeod, Bolton.

Fredericton Wins Easily. Fredericton, March 5.—Fredericton High completely outplayed St. Stephen High here tonight in the second match between the two schools in the inter-school semi-finals of the New Brunswick title. The score was 10 to 0. The border team made desperate efforts late in the third period to save a shutout but failed to get the disc past Halnes.

**THE TEAMS WERE.** Fredericton High—Goal, Halnes; defence, Horneville, Neil, centre, Keenan; right wing, Miles; left wing, Thompson; substitutes, Clark, Rowan, Smith.

St. Stephen High—Goal, Coffey; defence, Charter, Campbell, centre, Miller, right wing, Pulatky; left wing, B. Crawford; substitutes, Walton, McAlonan, S. J. Crawford.

**Basketball Finals Here Early in April.** The finals for the Eastern Canada basketball championship, which will be staged in Saint John between Trojan Seniors, New Brunswick champions, and winners of the Quebec-Ontario series between April 4 and April 11, according to a telegram received today from Harvey Boyd, president of the Canadian Basketball Association, by W. E. Stirling who has charge of the game, is down east. This is not definite yet, Mr. Boyd says, but he is working toward this end.

**PIPP TO REPORT.** CINCINNATI, O., March 5.—Wally Pipp, first baseman purchased recently from the New York Yankees, wired yesterday that he would report at the Reds' training camp Monday. He was reported holding out for a share of the \$20,000 purchase price.

**GOODRICH BEATEN.** FARGO, N. D., March 5.—Russell Leroy of Fargo, completely outclassed Jimmy Goodrich of Buffalo, former lightweight champion, in a 10-round decision contest here tonight, according to newspapermen.

# First Game For Provincial Ladies' Basketball Title Wednesday

## Along The Sport Trail

WRITING about Tommy Milligan's unexpected defeat by George Levine, a young Jewish Brooklyn boxer the other night, The New York Herald-Tribune writer says: "Milligan is going back to England and the trip will probably do him a lot of good. He seemed to be overtrained and was obviously spent after the fifth round of last night's battle. Milligan fought valiantly and the bout was a thriller from the first bell to the last, but it is handing the Scot something when rounds they traveled. In the fifth round Levine cut Milligan's right eye and in the tenth opened a gash over the other eye. Tommy's face was a crimson smear when the bout ended. As a result of last night's battle at the Broadway Arena, Joe Dundee, of Baltimore, is left as the lone and outstanding contender for the world's welterweight title, unless Jack Zivic should come back and show some unexpected form. Milligan was not himself. He was repeatedly beaten to the punches and even when he connected his driver had nothing behind them. In the opinion of this writer the Britisher was again poorly handled in his corner. When the cuts were opened over both of his eyes his seconds seemed at a loss to know what to do. Milligan flashed a great left hand at momentary intervals, but he forgot all about it when this weapon would have been most useful. Milligan's defeat is unfortunate, as it relieves the welterweight division of a lot of color. On the other hand, it can be truthfully stated that this boy George Levine has improved by something like 100 per cent. In the last six months and may come on to beat Joe Dundee to a crack at the title.

THERE is a healthy race going on in the two intermediate hockey league sections and the battle for the City title to be staged shortly should draw well.

SIZE and muscle used to be the determining factors in selecting representative athletes for college teams and sometimes the faculty eye was closed to lack of scholastic ability while the big boys played their way to sport victories on the gridiron and other fields of activities. Over-emphasis of sport victories to the detriment of college education, however, soon laid bare the dangers of such a system and quite often now the sport world sees a prominent college athlete barred from sport owing to deficiencies in studies. And that is as it should be for the parents who sacrifice considerably to send their boys to college, made that struggle in order to fit them for the serious business of life. The rule that studies must be up to standard or else the student is barred from athletic meets and contests is not confined to colleges alone, however. In Kings county, probably the best-organized county for schoolboy sport in New Brunswick with annual competition in hockey, football and track and field, there has been in existence for several years this rule and it is to the credit of the teachers of the various schools that they have fully lived up to the principle of this regulation. It tends to impress on the lad the fact that he must play the game all the way around the board. If he wants to play it outside of school, he must play it with himself, his teacher and his parents instead with his books and it is his wider application as well in the field of amateur sport. It is an excellent rule and should be universally adopted.

## VISITING HOCKEY TEAMS ARE DINED

Reception Given at Moncton to King's and U. N. B. Student Players

Special to The Times-Star. MONCTON, March 5.—A reception to the King's College and U. N. B. hockey teams on the occasion of the play-off for the Summer trophy, emblematic of the Maritime inter-collegiate hockey championship, was given in the Paris Cafe, after last night's game.

The following toast list was honored: "The King's," responded to by singing of the National Anthem; remarks by the chairman and toastmaster, R. P. Dickson, lifelong friend and business associate of the late F. W. Sumner; "The City of Moncton," responded to by Aid. W. P. Hutchinson; "The Maritimes," responded to by W. N. Goodwin; "The University of King's College," responded to by Geo. L. and W. L. Craghan; "Our Sister Universities," responded to by A. F. Landry, L. B. B. (Dallouze); "The Hockey Teams," proposed by Dr. J. A. LeBlanc, responded to by captains of U. N. B. and King's teams.

## BATHURST TEAM DEFEATS COMETS

Splendid Work of Finnegan and McPhee in Goal Was Feature

By superior combination and the magnificent work of Finnegan at goal, Bathurst succeeded in taking the measure of the Saint John Comets at the arena last night by the score of 5 to 1. While the North Shore boys seemed to have the edge during the greater part of the game the score does not indicate the relative merits of the play. Irrespective of the apparently one-sided score, last night's exhibition was by far the best demonstration of hockey that has been given to the local fans this year. About 1,000 followers of hockey witnessed dazzling speed and clever stick-handling from the first face-off.

**Trojans Win.** After the Bathurst-Comets game on the arena ice last night, the Trojan defeated the Navy team by a score of 5 to 2 in the intermediate series. This win gives the Trojans the victory of Section B and gives them the right to play off with the winners of the National-Canucks game in Section A, which will be played in the arena Monday night.

**VICTORIA WON.** VICTORIA, B. C., March 5.—Victoria swamped Vancouver 6 to 1 in Western Canada hockey league contest here tonight.

## GIRL ATHLETES MUST SECURE REGISTER CARDS

Medical Examination Is Required of Applicants

STRINGENT regulations for the control of women's sport throughout Canada are now in effect, and refusal to follow these rules will result in suspension from competition. The recently-formed Women's Amateur Athletic Federation of Canada, of which there is a branch in the Maritimes, with Miss Marion Belding, Saint John, as provisional chairman, now requires that any girl taking part in sport must apply for registration card and, in addition, must undergo medical examination as to their fitness to take part in certain strenuous pastimes.

The application, contrary to the men's application, does not have to be sworn to, but does place the applicant on her honor to give accurate and truthful answers. The definition of an amateur, as laid down under the constitution of the A. A. U. of Canada, is set out and must be considered in signing the application form.

Applicants must give full information as to when, where and with what organizations she has played, and space is made for initials by a medical practitioner to initial that in his opinion applicant is O. K. to take part in basketball, hockey, football, swimming, track, field and other sports. This safeguard is designed to prevent any serious effect resulting from competition in these sports. A registration fee of 25 cents is charged.

The former local boxer appears to be getting better in every start. Several nights ago he journeyed to Lynn, Mass., to hand out a lesson to Charlie Donovan on Washington's Birthday. McIntyre is a veteran. He is what they term in boxing a "smart" boxer, meaning he doesn't take unnecessary punishment.

Jack Murphy is McIntyre's new pilot. The pair are going to New York City in high hopes of keeping up the good work. The Saint John boxer made his initial appearance at Lynn a few months ago, surprising the fans by whipping Tod Smith, welter from England. Johnny gave away eight pounds to his hard-hitting opponent, but through his cleverness and speed made Smith miss by the proverbial mile, in the third, eleventh and twelfth rounds of the fray McIntyre had Smith in bad shape.

**CHANGE SCHEDULE.** OTTAWA, Ont., March 5.—A revised schedule for the Eastern Allan Cup play-offs has been issued by Silver Quilly, president of the Canadian Amateur Hockey Association, as follows: March 12, at Montreal, Ottawa district vs. Quebec; March 15, at Ottawa, return game; March 17, 19, Ontario winners of above series play off to decide eastern champions.

**IN FINALS.** WINNIPEG, Man., March 5.—The Winnipeg Tigers, senior amateur hockey champions of Manitoba, won the right to represent the province in the finals of the Junior High School hockey tournament, when they defeated Spryng, Man., 8-1, here last night. Spryng held the Manitoba intermediate championship.

**COLCHESTER SCHOOL WINS.** HALIFAX, March 5.—Colchester County Academy fought its way in the finals of the Junior High School hockey championship of Nova Scotia here tonight by defeating Dartmouth High School, 5 to 2.

**Professional Nurse Loud In Her Praises.** THANKS TO DODD'S KIDNEY PILLS SHE WAS RELIEVED OF A WEAK BACK AND RHEUMATISM.

Mrs. E. Emeneau Now Recommends Dodd's Kidney Pills to Any of Her Patients Who Suffer With Kidney Trouble.

LUNenburg, N. S., March 5.—(Special.) "I can't praise Dodd's Kidney Pills too highly to anyone. I have suffered a great deal with a weak back and rheumatism. I used a lot of doctors' medicines, but they did me no good. I could hardly lift a patient stone. I was advised to try Dodd's Kidney Pills; used a number of boxes and soon got relief. I often thank the good friend who gave me the advice about Dodd's Kidney Pills. "It was very much pleased that I did not have to give up my profession of nursing. I am bound to praise them for relieving me and will always recommend them to any of my patients who suffer from the same trouble as I did. I am very thankful to write this testimonial for Dodd's Kidney Pills." This letter comes from Mrs. E. Emeneau (nurse) of Lunenburg, N. S., and tells of the benefits to be derived through the use of Dodd's Kidney Pills.

SOME fellows are so blamed polite they'll make you stop work to shake hands with them.

## Looking For a Real Thrill?

IF YOU'RE looking for a rather hazardous and thrilling amusement you can find it aside a very steady perhaps as well as any place. For instance, horse racing carries and over streams, is another form of truly true of the race of races—the

steeplechase. Spills are frequent, jockeys often narrowly escape death when their mounts fail to make a clean jump. The fox hunt, which takes horses and riders up hill, down dale, across fences and over streams, is another form of sport furnishing plenty of thrills. Polo,

too, is an exciting and hazardous pastime. There are many others as well. In the accompanying photo are three confident riders snapped just as their mounts are taking a high hurdle at fast clip. There's plenty of action—like-wise some real horsemanship.

**MINTYRE WINS LAST NINE BOUTS.** Former Capt. Breton Boy Moving Fast Up Boston Boxing Ladder. In nine successive starts Johnny McIntyre, East Canada's outstanding welterweight boxer, defeated Pinky Burns at Hartford, Conn., Johnny Darcy at Fall River, Mass., Bobby Moys and Al Shubert at New Bedford, Mass., Al Roberts and Billy Deane at Providence, R. I., Tod Smith, Johnny Adriano and Charlie Donovan at Lynn, Mass. There is talk of matching McIntyre with Eddie Shelvin or Al Mello for the Casino A. C. of Lynn.

## WOODSTOCK HERE TO MEET LOCAL ROVERS

Return Game Set For Woodstock On Friday Next

LOCAL basketball fans will be given a chance next Wednesday night of seeing another New Brunswick title game when the girls' team from Woodstock plays the Trojan Rovers here on the Y. W. C. A. gym floor, King street east, in the first clash for the provincial title at stake. The return game will be played in Woodstock on Friday night of next week, and as both teams are evenly-matched, an exciting series should result. In addition to battling for the provincial title, the right to meet the winners of the Quebec-Ontario series for the Dominion of Canada semi-finals goes to the winner of this series as Nova Scotia will be unable to declare a winner before March 13, the date specified by the basketball authorities. Total goals will count in the series commencing next Wednesday night.

Trojan Rovers, undefeated City League champions and provincial champions for the last two years, are confident they can go on to a third in a row against Woodstock although they by no means underestimate the opposition. Woodstock girls, who played U. N. B. girls twice this year and on each occasion have been returned victors by close scores. This would indicate their strength and Trojan Rovers must win here next Wednesday in order to take a safe margin to Woodstock a few days later. The game here will start at 8 o'clock. A strong intermediate game, High School vs. Y-Nets, has been carded to precede the title game.

The line ups will be: Trojan Rovers—Forwards, D. Norwood, E. Nase, G. Parkinson; centre, J. Fraser; guards, G. Johnston, A. Kellan, manager.

University of New Brunswick's hockey team easily defeated King's College at Moncton last night, 5 to 0, and thereby taking the Summer Trophy. U. N. B. substituted frequently but King's only made one change in the game.

**KANSAS WON.** TAMPA, Fla., March 5.—Rocky Kansas, lightweight champion, scored a technical knockout over Freddy Jacks of England in the sixth round of a 10-round scheduled fight here tonight. The Englishman took a terrible beating but drew soft quit and the referee stopped the fight.

**TO THE ISLAND.** WIFE Logan, Saint John's rising young skater, accompanied by Little Francis Logan, one of the greatest skating prospects here in many years, will leave for Charlottetown, Prince Edward Island, next week to show exhibitions of speed-skating on the island.

**ANOTHER FOR SUGGS.** SALEM, Mass., March 5.—Chick Suggs, New England bantam and featherweight champion, knocked out Billy Marlow, New York, in the fourth round of the scheduled 10-round bout here tonight.

**IN DRAW.** NORTH BERGEN, N. J., March 5.—Rocky Smith, Battle Creek, Mich., and Jimmy Francis, Union City, fought 10 spectacular rounds to a draw here last night.

**FRANK JENNINGS** says he has often wondered who coined the phrase, "sittin' pretty." Photographers, we guess.
