BETTER THAN HARD COAL

Soft coal so free from soot that it does not make whistlers on stove covers or pipe and does not mat or cake when burning, is far better than Hard Coal for general household use. Quicker to light, takes less to make a fire, cheaper in price and can also be used for open fires and small heating stoves.

GOITRE

REMOVED BY ABSORPTION

If you are tired experimenting with all sorts of treatments for Goitre that are being sold to the public, and have not found relief, try Dr. W. J. Hughson's Famous Goitre Remover and convince yourself that there is one remedy that does actually remove Goitre of any kind, external or internal, on old or young, safely and permanently so that it will not return. The only remedy with a record for banishing this disease. For free booklet containing particulars of this famous remedy, write S. W. Hughson, Dept. S. T. J., 210 Montrose Avenue, Toronto, Ont.
