AMUNDSEN UNHEARD FROM; NO ANXIETY

NOW RELESS, PROGRESS WORD IS IMPOSSIBLE

Weather Favorable and Hope of Return Is Entertained

LIKELY LANDED

Experts Believe Explorer Has Stopped at Pole or Intervening Land

COPENHAGEN, May 23.—Copenhagen was still without news of Amundsen at 5 o'clock this morning, but there were no signs of anxiety here over the safety of the explorer and his companions.

HOPE OF SAFETY

OSLO, May 23.—The Shipping Gazette reports that the weather conditions for Captain Amundsen's Polar flight continue very favorable, and that there is every hope of the expedition returning safely.

THINK HE LANDED

Those whose Arctic experience or other special knowledge warrants expressions of opinion, appeared today to think that Amundsen's continued absence indicated that he had landed at the Pole or had discovered an intermediate body of land upon which he had descended for closer investigation and more accurate location.

FRENCH SCORE IN MOROCCO COMBAT

Drive Against Centre of Riff Position Puts Rebels to Flight

RABAT, French Morocco, May 23.—The situation of the French forces opposing Abd-el-Krim's Rifian rebellion is reported to have been greatly improved by a brilliant operation in the central sector under the direction of General Count De Chambrun.

LOSES PROPELLOR

British Steamer is Reported in Distress in the Bay of Biscay

SIR E. HULTON DEAD

Was Former London Newspaperman—Owner of Derby Entrant

ROTORSHIP IN SERVICE

KIEL, Germany, May 23.—Flettner's rotorship, the Duckau, is to be put in commission for passenger service. As soon as the vessel has been overhauled, she will start making regular trips, touching at the principal bathing resorts on the North Sea and the Baltic.

Two Hundred Houses Are Wrecked By Record Earthquake In Japan

U. S. Commerce Body Makes Move For Better Relationship With Canadian Business Men

Canadian Press.
WASHINGTON, May 23.—A forward move to bring more cordial relations and better understanding between the business men of Canada and the United States was made last night when the United States Chamber of Commerce, with 2,000 delegates present from all parts of the Union, unanimously adopted a resolution presented by the Chicago Association of Commerce, declaring: "That an inquiry be conducted by officials of the United States Chamber as to the possibility of

BIG AIR COMPANY PLANS OPENING OF NEW FIELDS

Big Firm to Operate Freight and Passenger Service

TWO NEW ROUTES

Eight Hour Journeys Between Chicago and New Orleans Planned

CHICAGO, May 23.—Announcement that a \$10,000,000 corporation expected to begin operation of an express and freight airplane service between New York and Chicago was followed yesterday with announcement here of further air transportation ventures.

CONSIDERS PARKING IN KING ST. EAST

Commissioner Frink Looks Around For Place to Meet Growing Requirements.

Commissioner J. H. Frink is giving serious thought to the auto parking problem in this city, and it would appear from the increase in motor traffic his department may be called upon within a year or so to make new provision for stalling cars.

BRITISH INTEREST

The company also expects to operate a week-end airplane service to Northern vacation resorts, it was announced. The Merchants Adventurers is the London, and a group of British and Chicago capitalists are interested in the project.

WOMAN BURNED AS VARNISH EXPLODES

Mrs. Maud Taylor is Near Death From Burns Received in Home.

Special to The Times-Star.
FLORENCEVILLE, May 23.—Mrs. Maud Taylor was badly burned today when a can of varnish, which she had placed on the stove, exploded. She rushed to a neighbor's house, where Mrs. Roy Stevens had presence of mind to wrap her in a blanket, which extinguished the flames. Dr. Peppers rendered first aid, but Mrs. Taylor's recovery is doubtful. The house was saved.

SEEDING FINISHED IN PRAIRIE LANDS

Wheat All Well Rooted and Little Damage From Early Frost.

Winnipeg, Man., May 23.—Reports received by wire within the last 24 hours from 311 points in the prairie provinces, show that all wheat has been seeded, that 75 per cent of the crop had been seeded by May 16, that wheat is exceptionally well rooted, and that there has been little damage from early frost.

SAYS ITALY WILLING TO SETTLE DEBTS

Former Premier, However, Hopes For Relief From England and U. S.

Canadian Press.
ROME, May 23.—In a long article to the Tribune former Premier Tittoni of Italy, counts on the settlement of equity on the great English and American nations for relief for Italy from the intolerable incubus of war debt.

TRIAL ON JUNE 15

Girl's Plea of Not Guilty on Charge of Murdering Mother Stands.

SAN FRANCISCO, May 23.—The trial of Dorothy Ellington, 17 year old confessed matricide on a charge of first degree murder yesterday was set for June 15, by Superior Judge Louis Backer. The girl is accused of shooting her mother to death, in their home here on the morning of January 18.

SPAIN IS WILLING

Will Allow French to Follow Rifians Into Spanish Zone of Morocco.

PARIS, May 23.—Le Journal's Madrid correspondent says the Spanish military directory has agreed, in consequence of M. Malvy's negotiations there, to allow French troops to follow the Rifians into the Spanish zone of Morocco. This is predicated on the understanding that the French shall return to their own zone as soon as the enemy is chastised.

Big Eight Oared Rowing Race Today

ANNAPOLIS, Md., May 23.—Three of the best oared crews in the United States will clash here this afternoon when the varsity teams of Harvard, Syracuse and Navy meet in a two-mile event on the Severn river. Dopesters have picked the Middlebury to win.

"CABBY" WON'T FARM.

LONDON, May 23.—George Beney, a cab driver here, was left two farms in Australia by the will of an uncle, but he will not accept them. "I formerly was a member of a band of apples, and I have done enough wandering around," he says. "I prefer to stay in London."

Bottle Fish Influx Is Laid To Rum-Chasers

ATLANTIC CITY, N. J., May 23.—Thousands of real bottle fish are clogging the nets of inshore fishermen here and are being washed up on the beach where bathers and pedestrians are gathering thronging as curious. The nets of the million dollar pier were full of the curious air-filled fish when they were hauled up.

Second Court Is Held By Royalty

LONDON, May 23.—Another brilliant assemblage gathered in Buckingham Palace last night for the second royal court of the season. The weather, like that of Thursday night, when the first royal court was held, was ideal, and again large crowds gathered in the environs of the palace to catch a glimpse of the guests as they arrived.

Three Killed When Gas Explodes in Mine

WILKESBARRE, Pa., May 23.—Three men were killed and five others seriously injured today by an explosion of gas in the Woodbury colliery of the Glen Alden Coal Company.

NEW OIL GUSHER

MOSCOW, May 23.—A new petroleum gusher was brought in at Grozny, in Georgia, Wednesday. The well is said to have thrown up more than 2,000 tons of oil in 24 hours.

4 Boys Killed, 3 Hurt As Car Upsets On Way To Ball Game

Canadian Press.
NEW YORK, May 23.—Attached with chairs and bottles early yesterday, two Federal prohibition agents, attempting to make arrests in the exclusive night club, Trocadero on 81st street, were compelled to draw their guns to subdue fashionable diners.

Girls Undress On Open Pier

HOBOKEN, N. J., May 23.—While ship reporters and customs officials blushed, 18 comely young dancers of Quakerstown, Penn., undressed on the pier at which the President Roosevelt docked and turned over their silken gowns to the United States government.

Beauty Prize Winner

From 17 photographs of girls nominated in the annual University of Arkansas beauty contest, Doris Pinkerton of Fayetteville, Ark., was chosen as winner.

RESIDENTS TERRIFIED AND MANY CASUALTIES

A RECORD TREMOR

Horizontal Vibration of Three Inches, Greatest in Thirty Years

OSAKA, May 23.—Two hundred houses were reported collapsed and numerous fires were raging today in the vicinity of Toyo-Oka, a town of 7,700 population, 80 miles northwest of Osaka, as the result of an earthquake which sent terrified residents into the streets fearing a repetition of the Tokyo disaster of 1923. The earthquake, according to meteorological reports, was a horizontal vibration of nearly three inches, which is a record for the past 30 years. The quake was continuous and lasted several minutes.

REPORT RECEIVED HERE BY THE VEGETARIAN PAPER REPORT THE TOYO POST-OFFICE HAS COLLAPSED AND THE RAILROAD STATION BURNING.

CASUALTIES FEARED

TOKIO, May 23.—The department of communications received an official dispatch from Toyo-Oka this morning, which said: "Violent earthquake this morning. Many houses shaken down. Fires started in two places and many casualties are expected. Communication with distant places is interrupted. The Kinokuni-saki Springs and Takano crumbled."

TERRIFYING SHOCK

LONDON, May 23.—The Evening News correspondent at Tokio says the earthquake in Southern Japan was a terrifying event. Some loss of life is reported, but there are no details. The shock centred between Kyoto and Tokushima, and telegraphic communication was interrupted.

FELT AT KOBE

Dispatches from Osaka say the earthquake lasted for three minutes. A severe shock was also felt at Kobe.

NORTHERN LANDS BELONG TO CANADA

Freuchen Says Any Claim Set up by Norway Would be Disputed.

COPENHAGEN, Denmark, May 23.—That Canada long ago annexed any land discovered northward of the Dominion was pointed out here today by Peter Freuchen, the Danish Polar explorer, in commenting on King Kian-kon's authorization to Captain Rood Amundsen to take possession in the name of Norway of any territory discovered in the course of his present Polar flight.

SMALLPOX SCORE

Wholesale Vaccinations Ordered After Outbreak in Long Island Communities.

NEW YORK, May 23.—Thirty cases of smallpox have been reported in Massasset and Great Neck, Long Island, by the state health department. Dr. E. H. Marsh, secretary of the department of health, said while there is no epidemic, situation warranted wholesale vaccinations.

MAHOMET RELICS ARE SOLD BY ATTENDANT

CONSTANTINOPLE, May 23.—The hereditary keeper of a portion of the sacred relics of Mahomet has been arrested for selling precious silver relics to bazaar merchants who substituted them with cheap plated copies. The keeper confessed he had done this to gratify the tastes of his eleventh wife.

THE WEATHER

MORNING REPORT.

Maritime—Southerly winds; fair and moderately warm today; probably becoming unsettled at night.
