A BAD FACE HUMOR. Covering the Face with Disfiguring, Painful Blotches, Cured by Cuticura Remedies,

About seven years ago I had a humor break out upon my face; it started in a small blotch and looked like a sting of a bee, then it spread and looked like a rings orm, and became very painful. I at once went to one of the best doctors in the city, and he could do me no good. No less than twelve of the best doctors have had a trial at my face, and all of them failed. I will not give you a list of their names, but will say that they were from Boston, New York, and Maine, also from England, France, and Canada. I have teen a hotel cook and steward for years. In the summer I cook at watering places; that is why I have had an opportunity of being some good doctors. They could not cure my face, and I had given up all hopes of ever being any better. Last June, I went to Moosehead Lake, Maine, to cook for the season My face was so bad I did not like to be seen. At the lake I met a gentleman from England. He told me to use your CUTICURA REM DES, and they would cure me at once. I did so, The resuit was, in three weeks the sores on my face were lealed up. I used it all the season. My face ls all well, and no scars to be seen. I have recommended it to a number, and in every case it has cured them. It would take a great deal of mon-y to put me back where I was oue year ago, providing I did not know what your-Curricura would do: I shall recommend it as long as I live and shall ever remain,

Misery vs. Comfort.

Misery is one result of bilioueness or liver complaint. Comfort is the first of using Burdock Blood Bitters as a remedy. Cure is the final result always obtained. We back this with the strongest proof by testimonials from reliable Canadain people.

La Grippe is epidemic in Chicago.

Should Be Locsened.

A cough should be loosened at once and all irritation allayed. To do this nothing excels Hagyard's Pectoral Balsam. Obstinate coughs yield at once to its expectorant, soothing and healing properties, which loosen phlegm and allay irritation.

Good News!

No one, who is willing to adopt the right course, need be long affiled with boils, carbuncles, pimples, or other cutaneous eruptions. These are the results of Nature's efforts to expel poisonous and effete matter from the blood, and show plainly that the system is ridding itself through the skin of impurities which it was the legitimate work of the liver and kidneys to remove. To restore these organs to their proper functions, Ayer's Sarsaparilla is the medicine required. That no other blood-purifier can compare with it, thousands testify who have gained
