Whatsoever thy hand findeth to do, do it with thy Might.

WOODSTOCK, N. B., THURSDAY, OCTOBER 31, 1861.

theman bearing the highly respectable name of John Erskine, was recently arrested by a police Marshal in Missouri, and taken before a magistrate. When captured, Mr. Erskine, who is a sewere" looking personage, with sickly whisters, was apparently endeavoring to curry away kers, was apparently endeavoring t What was the cost of it!"

What was the cost of it! "

What was the cost of it!"

What was the cost of it!!

What was the cost of it!

What w

develope and cultivate their minds. The same smark applies almost equally well to all other of the higher occupations in a small colony like New Branswick. We are too poor and too young to aflord for the highest efforts of intellect such a pecuniary compensation as they claim and obtain in old and wealthy countries. Certainly it The appointment of a new Governor for this is a great disadvantage that we cannot afford to

Paths Grown ho will. Hour a collars alord the control of the contr have among us, only partially suitivated because would it avail us if Charles Fisher or John Separating the Sexes in the School. --On the means and the occasion for their highest de-
