Public Utilities Commission Mixup

Citizen from St. Stephen Says
There is Much Trouble
Over Street Car Fares
Owing to Rate of Discount

"The Public Utilities Commission
has cooked a pretty kettle of fish in
St. Stephen and Milltown," said a
citizen of the former place on Satur-
day. "The Calais Street Railway,
which operates an indifferent service
in St. Stephen and Milltown, applied
to the Commission for permission to
increase its fares on the Canadian
side of the border from six to seven
cents."

"The Commission in its wisdom
ruled that a straight seven-cent fare
be granted to the Calais Street Rail-
way, and that the said railway shall
sell eight tickets for 50 cents, payable
in gold or its equivalent. The last
clause contains the joker, and evidently
it represents the handwork of the
astute counsel of the Street Railway.

When the order went into effect, the
residents of St. Stephen and Milltown
found that eight tickets for 50 cents
were only on sale in Calais, and that
there their money was subject to the
current rate of discount. It is hardly
credible that the P. U. Commission
realized that they were making an er-
ror of an absolutely straight seven-
cent fare on compelling Canadians
riding on a street railway in Canadian
cities to pay tribute to United States
money. The only consolation in the
situation is that the Commission has
reserved the right to review its de-
cision at any time, and if one may
judge from the row on the border
that time will not be far off."

Why not get right after this
trouble, and, by using Dr.
Chase's Kidney-Liver Pills to restore
the health and activity of the liver.

ney derangement, soon disappear

WEDDINGS.

Brown-Gibson.

Salisbury, Oct. 18.—Rev. Norman
A. MacNeill, B. A., B. D., pastor of
the Salisbury group of United Baptist
churches, was called to the Boundary
Creek section of his pastorate on a
pleasant mission on Wednesday after-
noon, October 16th, the occasion
being the marriage at the home of Mr.
and Mrs. James Gibson, of their young-
est daughter, Miss Pearl Edith Gib-
son, who became the bride of Arthur
Hall Brown, carriage builder and
undertaker, of Springhill, N. S. The
house decorations were very tasteful,
ly arranged, the bridal party standing
beneath a pretty green arch interwined
with ferns and roses. The bride
looked charming in a gown of grey
georgette, and carried a large bouquet
of bridal roses. Her little niece, Miss
McKie, of Moncton, acted as flower
girl. After the service the wedding
dinner was served. The happy couple
motored to Salisbury where they
boarded the westbound evening train
for an extended bridal tour through
the State of Maine. On their return
they will reside at Springhill, N. S.
The happy pair will be followed by
the happy good wishes of many
friends.

Colpitts-Steeves.

Salisbury, Oct. 18.—An interesting
wedding was solemnized at 4 p. m. on
Wednesday afternoon, October
16th, at the home of James A. Steeves,
J. P., deputy fish warden, and Mrs.
Steeves, when their only daughter,
Miss Maude Steeves, B. N., was
united in marriage with Mr. James
Colpitts, a popular young busi-
ness man of Binghamton, N. Y., son
of Mr. and Mrs. Lane Colpitts, of
Colpitts, Albert Co. The bride was
charmingly gowned in white and
over white satin with bridal veil and
orange blossoms, and carried a beau-
tiful bouquet of roses and maiden hair
fern. She entered the drawing room
interwined with yellow and white
chrysanthemums. The service was
performed by Rev. Doctor Bowler
Green, pastor of the First Baptist
Church, Moncton, in the presence of
thirty or forty invited guests. The
wedding march was skillfully render-
ed by Miss Minnie Jones, cousin of
the bride, who also played softly dur-
ing the service. After the ceremony
the young lady friends of the bride who
assisted in serving were Misses Coral
Vivian, Charlotte Leaman, Agnes
Steeves, Minnie Jones, Bernice Jones.
The bride who was a very popular
young lady, was at one time a mem-
ber of the nursing staff at the Mill
Hospital, Halifax. The wedding
gifts were numerous and beautiful.
The groom's gift to the bride was a
cheque for five hundred dollars. The
bride's travelling costume was of light
taupé broadcloth with small velvet
hat to match. She wore sable furs.
The happy pair left for Binghamton,
N. Y., where they will be followed by
many hearty good wishes.

Watson-Williams.

A very pretty wedding was solemn-
ized at the home of Mr. and Mrs.
Merritt Williams, Long Reach, N. B.,
on Tuesday morning, October 14th,
when their daughter, Glennie L., be-
came the bride of Charles B. Watson,

of Hampstead, N. B. The ceremony
was performed by Rev. J. E. Shanks
the bride who was given in marriage
by her father, wore a beautiful dress
of white silk crepe de chene with sil-
ver trimmings, and the conventional
veil and orange blossoms, and carried
a bouquet of roses. The ceremony
took place in the parlor in the pres-
ence of a number of immediate rela-
tives and friends. After luncheon had
been served the happy couple left on
the Steamer Majestic for a trip up
river. After their return they will re-
side in St. John, where the groom is
employed with the McKean Lumber
Company.

CHORAL COMMUNION WAS CELEBRATED

The Harvest Festival was held in
St. Paul (Valley) church yesterday
with hearty services both morning
and evening. At eleven o'clock a
choral communion was celebrated, the
choir, Archdeacon Crowfoot preach-
ing on "The Sacrifice of Thanksgiving."

In the evening the topic was
"The Bounty of God."

The church was decorated with
fruit, vegetables and wheat. Special
prayers and anthems marked the ser-
vice of thanksgiving.

Stop "doing" rheumatism.
It's pain only, not one case in fifty
requires internal treatment. Rub
soothing, penetrating "St. Jacobs Lin-
iment" right on the "sore spot,"
and by the time you say Jack Robin-
son—out comes the rheumatic pain,
and distress. "St. Jacobs Liniment"
conquers pain. It is a harmless rheu-
matic liniment which never disap-
pours and doesn't burn the skin. It
takes pain, soreness and stiffness
from aches, muscles and bones;
stops sciatica, lumbago, backache, neu-
ralgia and reduces swelling.

Limber up! Get a small trial bot-
tle of old-time, honest "St. Jacobs Lin-
iment" from any drug store, and in a
moment you'll be free from pains,
aches and stiffness. Don't suffer!
Rub rheumatism away.

OBITUARY

Mrs. Alexander McPhoe.

Salisbury, Oct. 18.—Mrs. Alexander
McPhoe, a well known resident of
Salisbury, who had been visiting mem-
bers of her family in Massachusetts
for several weeks, died very suddenly
of heart failure this week. The news
came as a great shock to her home
folks as she was an exceptionally
smart woman of her age, and appear-
ed in her usual health, when leaving
for her home. Besides the relatives
who were visiting she is survived by
her husband, three sons and three
daughters at Salisbury. The sons are
Robert E. C. N. R. freight agent at
Salisbury, Havelock and John, farm-
ers. The daughters are Mrs. Abner
Alward, wife of C. N. R. Truckmaster
Abner Alward; Mrs. Lewis Irons and
Mrs. S. Collier.

Mrs. McPhoe did a large amount of
Red Cross work during the war. She
knit more pairs of socks than any
other woman in the district, the num-
ber reaching nearly 200.

The remains were brought to Sal-
isbury on Thursday afternoon, and con-
veyed to Five Points cemetery. Rev.
N. A. MacNeill conducted the ser-
vice. Mrs. McPhoe's maiden name
was Gordon; she was a sister of the
late Henry Gordon, of Moncton, who
for many years was an I. C. R. con-
ductor. Mrs. McPhoe was a faithful
member of the Salisbury United Baptist
church and her sudden passing will
be mourned by many friends.
