Nervousness
Horsford's Acid Phosphate

Prepared according to the directions of Prof. E. N. HORSFORD.

Many diseases, especially disorders of the nervous system, are attributable to a diminution of the phosphates, which are found in every fibre of the body. Horsford's Acid Phosphate supplies the phosphates, and relieves nervous exhaustion.

Dr. THEO. F. BRECK, Springfield, Mass., says :

"Very superior in diseases pertaining to the nervous system."

Dr. B. B. GROVER, Rushford, N. Y., says :

"Have prescribed it for nervous irritability, with marked results."

Dr. A. S. MAX, Forest, O. says :

"Very satisfactory in controlling nervousness in females."

Descriptive Pamphlet free on application to

Rumford Chemical Works, Providence, R.I.

Beware of Substitutes and Imitations.

CAUTION—Be sure the word "Horsford's" is printed on the label. All others are spurious.
