Metropolitan Fashions

A Monthly Publication
Illustrating in Colors and Tints
The Latest Modes in

Costuming, Millinery,
Window-Dressing, Etc

The Quarterly Report of Metropolitan Fashions, The Quarterly Report of Juvenile Fashions, The Dressmaker and Milliner and The Juvenile Outfitter were discontinued with their Winter Issues, to the end that we might replace them with a Publication that we believe is better adapted to the present requirements of the Dry Goods, Dressmaking and Millinery Trades and of the Public generally. This Publication is entitled "THE GRAND ALBUM OF METROPOLITAN FASHIONS," and is now issued Monthly, the first Number being that for March, 1897.

The GRAND ALBUM contains a number of features of great use to dealers in Dry Goods and Millinery, as well as to Dressmakers, Cloakmakers and Milliners. Each Number includes the FINEST PRESENTATION of MODES and MILLINERY ever offered to the Public and is in three different Editions—ENGLISH, SPANISH and GERMAN—any of which can be obtained from us by parties ordering at the Uniform Rates Specified Below. It consists of a SERIES OF PLATES IN LITHOGRAPH, HALF-TONE AND ETCHED EFFECTS accompanied by the necessary descriptive FASHION MATTER. The Publication is so bound that the Plates are easily separable for framing, for use on Dry Goods and Millinery Counters and in Window Displays, etc. Dealers everywhere, therefore, find it to their advantage to have the Publication promptly on hand when issued so that they can use the Plates as a collection of SHOW CARDS FOR DRESS GOODS AND TRIMMING DEPARTMENTS.

This very remarkable Publication is a dream of color work from beginning to end, and is the REPRESENTATIVE MAGAZINE OF ITS KIND IN THE WORLD. As a Milliners' Guide and Dressmakers' Aid it is without a rival, and as an Assistant in Window Dressing and in the Sale of Dry and Fancy Goods it proves invaluable.
