Ottawa, Nov. 17, 1924.

Honourable D.O. L'Esperance,
Quebec, P.Q.

My dear Senator:

I am taking the liberty of sending you privately a letter I have received from Mr. P.C. Armstrong of Sweetsburg, P.Q. I know that the character of work he has in mind is something along the line of efforts already put forth by friends of yours and friends of our cause in the province. The idea seems to me pretty sound and I thought possibly you could use the suggestion in such a way as to lead to real results. Personally I don't know Mr. Armstrong at all well but no doubt use can be made of him and of other men similarly inclined. We want to get a lot of country speaking done throughout the province of Quebec this winter.

Please return Mr. Armstrong's letter.

With kind personal regards,

Yours very truly,
