J. H. Coates Esq  
Secretary  
Dept. of Public Works  
Ottawa

27 Nov 84

Required: - 1 Fire-pot [the present one  
having been broken] for stove in  
passage between the two buildings -

A number of the double sashes  
have been so badly put up that they  
will be of little or no use to keep  
out the cold, and most of them re-  
quire to be packed with batten.

The Pulleys of one win-  
dow in the Correspondence Branch  
are broken, and require to be repaired  
at once.
