Sir,

I beg to call your attention
to a matter of great importance
which unless special vigilance
is exercised might be overlooked
from year to year until every
last right of I refer to the state
of those members of the friendly
Society of Indians who reside
near Fort a la Poudre upon the
reserve set apart for them.
These Indians belong to the
No 8 band although as the
have the hamper it is better
within the territory owned by
Society
