Ottawa October 20th, 1914.

Sir,

Inspector T.J. Thompson, reporting on Oneida No. 3 School, states that the plaster of the walls of the class room is badly cracked and some has fallen off. This should be repaired during the Xmas holidays.

He also reports that the doors are off one side of the double closet. These doors should be replaced at once. You may also, purchase two brooms for this school.

The Department is ordering from the Government Stationery Office a supply of kindergarten material for the use of the pupils in the junior classes.

Your obedient servant,

J. Stewart  
Asst. Deputy and Secretary
