

March 19th, 1915.

F. 117, 123-1 A.

Dear Mr. Cairns -

I have your letter of the 9th instant.  
in reference to the inspection of the Williams  
Lake Industrial School, and in reply, I would  
say that it will be satisfactory if you make your  
inspection and report thereon at the time suggested  
by you.

Yours very truly,

  
Deputy Superintendent General.
